Dear Parent(s) and/or Guardian(s):

It's hard to believe the end of Quarter One is near and parent-teacher conferences are just around the corner. Collaboration between parents and staff at Tarkio R-I plays a vital role in student success in school. As everyone knows, COVID-19 has forced us to make many changes to protect our students and staff. However, we still encourage communication and positive relationships with our students and parents.

We will be holding parent-teacher conferences at the JH/HS on October 22nd from 1:00-7:00. We are encouraging virtual or phone conferences this year. However, teachers will be available in their classrooms if you'd like to have a face-to-face conference. Face-to-face conferences will be a maximum of 10 minutes with social distancing guidelines being enforced and masks required. If you plan to attend face-to-face, please email your student's teachers so they can plan accordingly. Otherwise, teachers will be reaching out via phone.

Gradecards will be mailed out the week of October 26th. If you'd like to see your student's grades prior to receiving them in the mail, they will be available on SIS in the student and parent portal (all students know how to access this).

Please contact the High School office if you have any questions.

Sincerely,

Mrs. Livengood

6-12 Principal
