Dear Parents/Guardians:

This handbook has been prepared to assist students in school life. The administration and Board of Education believe that an understanding of the school rules and regulations by each student is necessary in order to create a positive learning environment. We suggest that each student discuss the rules and regulations in this handbook with their parents or guardians. This will help avoid confusion and misunderstandings.

The acknowledgment by a parent or guardian that a copy of the handbook has been provided and discussed is a requirement in order for students to receive their grade cards. Please feel free to call or visit at any time if you wish to discuss or observe your child’s activities or behavior.

Sincerely,
Carrie Livengood
7-12 Principal

ACKNOWLEDGEMENT

*Please sign and turn in to the office. Thank You!
I/We have received the 2017-2018 Tarkio Jr./Sr. High School Handbook and have read through its entirety. I/We also understand and agree to adhere to the policies and regulations put in place by the Tarkio R-I School District.

East Atchison Wolves Activity Handbook ........................................ 40-49
Welcome to the Tarkio R-I School District

The purpose of this handbook is to help you understand the organization of which you are a part. It is our intent to give you a general overview of the rules of our school. It should be understood that not all school rules are contained in this handbook, and school organizations are permitted to have rules for their organization that may not be contained in this handbook.

We wish to extend to you a warm welcome and hope that you will feel that you are a part of the Tarkio R-I Schools. We hope that your troubles will be few, your pleasures many, and that your years will be both happy and successful. This handbook contains information for students, parents and teachers of the Tarkio R-I School. Its purpose is to give better understanding to the rules and opportunities of our school. This handbook will aid in orienting new students and serve as a guide for all students. Parents will find this book helpful in understanding the rules of the school. Students should become familiar with the contents of this handbook so they may receive the greatest benefits possible from their years in school.

The broad educational program of the Tarkio R-I School is designed to prepare students to enter college, business, or industry. Many colleges and employers are raising their standards on selecting beginning students and workers. They want to know not only the students' grades in high school, but also their attendance record, attitudes, cooperation, and potential. It is, therefore, essential that all students do their very best during their school attendance to fulfill all their potentials. It needs to be noted that this handbook does not cover all rules that govern our school. The intent of this handbook is to give students and parents a general overview of the rules governing Tarkio R-I Secondary School.

Tarkio High School Mission Statement

All students can learn if we INSPIRE PREPARE ACHIEVE...EVERY DAY!

Academic Information

Student Classification
Students will be classified academically by the number of credits they have successfully completed at the end of each year. In the event that a student falls behind in the number of credits required for academic classification to be the same as the student’s chronologic classification, the student will retain his/her academic classification until he/she has acquired the minimum number of credits to advance the academic classification.

Academic Classification Standards
Students must meet the following criteria for grade classification.
Freshmen: Successful completion of the eighth grade
Sophomores: 7 credits (and have completed one year of high school)
Juniors: 14 credits (and have completed two years of high school)
Seniors: 21 credits (and have completed three years of high school)

Graduation Requirements
A student must meet the following requirements, as well as satisfy specific state requirements, in order to be graduated from Tarkio R-I School District.

Graduation Credit Requirements
28 credits are required. 32 total credits may be earned in grades 9-12.

Required Courses/Credits

</tbody>
</table>

Students who attend the Northwest Technical School (NTS) in Maryville, MO will have the minimum number of credits required for graduation reduced by one elective unit for every year they attend the Technical School. NTS attendees can also earn ½ credit of high school Math credit by taking the approved NTS courses. With approval of the high school principal/designee, students who successfully complete all three of the following Vocational Agriculture courses will be given credit for one unit of science toward local graduation requirements: Animal Science, Plant Science, and Advanced Livestock/Crop Production. (NOTE: These courses may not meet Science entrance requirements at some colleges and/or universities.) The high school principal/designee will review transcripts of transfer students to determine graduation requirements, including minimum state requirements. Personal Finance credit may be embedded into a three year vocational track sequence at Tarkio HS.

MoVIP Courses/Recovery Credit Software
Students enrolled in Tarkio High School have the opportunity to take courses through Missouri Virtual Instruction Program that they might not have the opportunity to take otherwise, or to take courses to make up credits from previous years. Students wishing to take MoVIP courses for credit should consult with the THS principal. The principal will advise and facilitate enrollment of students in MoVIP courses. When enrolling students, the District will apply for state-funded seats. Though the District may elect to pay tuition for certain MoVIP courses, the District has no obligation to do so. If state funding is not available or approved, a student/family may opt to pay for the credit on their own. Currently that cost is $357 per semester course. Students who choose to pay for courses on their own during the summer should inform the THS administration of their intentions so that scheduling conflicts can be avoided. Local District staff will assign the grade and course credit based upon notification received from MoVIP when a virtual education course is completed. Students who flunk a course can have the option of using our credit recovery software. This will be determined by the THS administration.
Northwest Technical School
Tarkio High School offers qualified junior and senior students the opportunity to pursue vocational training through the Northwest Technical School in Maryville, MO. NTS is a part of Maryville R-II School District. Students interested in these programs must be in good standing at Tarkio High School and be on track to receive their high school diploma. Bus transportation will be provided by Tarkio Schools. There is more specific information about vocational certification in the Tarkio Career Planner which is available through the Tarkio Counselor’s office. Interested students and their parents must complete and sign a contract stating the rules and regulations of attending NTS through Tarkio High School. Participants must be cleared by the Tarkio High School Principal.

School to Work Programs
Tarkio High School offers students the opportunity to earn academic credit toward graduation while being employed during the school day. School to work credit may be earned in three, two, or one hour increments for the equivalent amount of school credit. Students interested in this course of study must have 95% attendance, be on track to receive their high school diploma, and must be seeking employment in their declared program of study. A student will declare their program of study through the Tarkio Counselors office and will be approved by the Tarkio High School Principal. School to work programs are available only to students classified academically as juniors and seniors. School Flex program options are available through the Tarkio High School principal’s office.

Peer Mentoring
Students will not receive academic credit for peer mentoring during the school day. A student may choose to be considered for peer mentoring only if they are involved in the Tarkio High School A+ Program. Peer mentors must have 95% attendance, be on track to receive their high school diploma, and possess the aptitude and ability to work well with young students in an academic setting. Peer mentoring is available only to students classified academically as juniors or seniors. Peer mentors must be approved through the Tarkio High School principal’s office.

Office Aides
Students will not receive academic credit for being an office aide. A student must have 95% attendance, be on track to receive their high school diploma, and be approved by the Tarkio High School principal’s office. Office aides must be able to follow directions, be trustworthy, and be able to work independently.

Honor Roll
Two levels of academic honor will be recognized at the end of each grading period. Students with all A’s and A- will be on the Superintendent’s Honor Roll. Students with all A’s and B’s will be on the Principal’s Honor Roll.

Promotion and Retention of Students
Academic achievement plays a vital role in every individual’s life. In order to achieve one’s potential in high school, a solid basis of knowledge must be established in the elementary and junior high programs. With these principles in mind, the following rules have been established:

- Any student in the grades 7-8 who fails two or more core classes (Math, Language, Social Science, Science) may have to repeat that grade.
- No student will be in 7/8 grades for more than three years.
- Students in 9-12 who fail a class may be able to take summer school for up to a ½ credit, otherwise that student will have to repeat that class for a semester or year.
- Students who fail several high school courses jeopardize graduating on time.

Correspondence Courses
Correspondence courses will be evaluated by the high school principal, counselor, and a Tarkio High School teacher teaching in the subject area of which the correspondence course is a part to determine whether Tarkio High School will grant credit for its successful completion.

Adding/Dropping Classes
Students may drop full-year classes at semester only under the following circumstances:

- The student received an “F” for the 1st semester.
- Arrangements were made at the time of enrollment.
- The permission of the administration is given in any of the situations.

At the start of each semester, students are given 4 days to decide on a set schedule for that semester. After that time, with the exception of extraordinary circumstances, no changes will be made during the semester.
College Prep Studies Certificate

To be eligible for the certificate, a student must meet these requirements:

- Complete a rigorous high school program cooperatively planned by the school, the student and the student’s parents. The program must include at least these units of credit:

<table>

</tbody>
</table>

TOTAL 25

- Earn at least a 3.0 grade point average (GPA), on a 4.0 scale, in the combined subject areas of English/language arts, mathematics, science and social studies. The school may calculate GPAs for its students at the end of the seventh or eighth semester of high school.
- Score at or above the prior year’s national composite average mean on the American College Test (ACT) or on the Scholastic Aptitude Test (SAT). This criterion is revised annually to reflect the latest national averages from the ACT and SAT. Check the current year’s certification forms for the required minimum scores.
- Maintain a 9-12 attendance rate of at least 95%
- Complete a strong academic program, as specifically outlined by the Missouri Department of Education (DESE).
- Dual-credit courses taken in high school for both high school and college credit may be counted toward satisfying the core curriculum requirements.

Tarkio R-I High School Weighted Classes

Committee Members will consist of the High School Leadership Team and the High School Principal

1.1 Algebra III or Math Analysis
- Statistics & Probability
- Pre-Calculus
- Genetics/Anatomy
- Chemistry
- Spanish II
- Ag Econ/Management
- Animal Science *(D/C)
- Ag Mechanics *(D/C)
- Advanced Livestock *(D/C)
- Music Appreciation *(D/C)
- Business Technology *(D/C)

1.2 Economics – Social Science (not business or agriculture)
- Calculus
- Physics
- Microbiology
- Advanced Composition
- English Literature

1.3 Pre-Calculus/Calculus *(D/C)
- Calculus *(D/C)
- Statistics *(D/C)
- Triigonometry *(D/C)
- Physics *(D/C)
- Chemistry *(D/C)
- College Algebra I *(D/C)
- Foundations of American History I *(D/C)
- Foundations of American Government *(D/C)
- Psychology/Sociology *(D/C)
- Advanced Composition *(D/C)
- English Literature *(D/C)
- Communication Arts *(D/C)

When these classes are available the corresponding weight will be used.
*(D/C) denotes dual credit course offering*

Admission of Pupils by Transfer from Other Schools

Pupils entering the Tarkio Public Schools by transfer from schools outside the Tarkio R-I School District shall submit evidence of achievement in the grade last attended as a prerequisite to enrollment. Grade placement of a pupil may be adjusted on the basis of examination of his/her previous record, on the basis of achievement tests administered, or on the basis of other factors, which the principal and the staff believe make such adjustment beneficial to the student.

Academic Eligibility

Eligibility grade checks will be conducted 4 times each quarter (approximately ¼, mid, ¾, and end of the quarter, as set by the principal) and are based on the student’s cumulative grade to that point of the quarter. The student, parent(s), and sponsor(s) will be notified of ineligibility. The period of ineligibility is from the day of the grade check until the student has raised his/her grade.

STUDENT OWNERSHIP: To prove that grade has changed, the student must present to the Principal a note from the teacher whose class they were failing. In the case of athletics, he/she should sit with the team during contest(s) but shall not be suited out in uniform and shall not participate in the contest(s). Students in grades 7-12 must be enrolled in classes that total 4 units of credit per semester in order to participate in extra-curricular activities and in the case of athletics, this includes practice. Eligibility will be determined on a 4 grade check per quarter basis. Any student receiving an "F" in any grading period will be ineligible for participation in extra-curricular or out of school performance until the student can prove to the principal they have raised the grade. They may still practice and travel with the team. Co-curricular activities are a form of extra curricular activities and are governed by this policy. Examples of co-curricular activities are band, chorus, FBLA, FFA, FCCLA, and academic clubs. Ineligible students involved in co-curricular activities will be allowed to participate in local non-interscholastic events. (i.e. band, plays, and vocal concerts). Please see PG ??? for further guidance.

Academic Dishonesty

Academic dishonesty will not be taken lightly. Cheating, plagiarism, or any other form of academic dishonesty could result in the student receiving NO credit for that particular assignment in addition to possible consequences as identified in the Tarkio Behavior Management Plan.

Finals Policy

**As of September 15, 2016
- 98% and higher: opt out of all finals
  - allows approximately 1 ½ days
- 96%-97% opt out of 4 finals
  - allows approximately 3 ¼ days
- 94%-95% opt out of 1 final
  - allows approximately 4 ¼ days
- Anything below 94% attendance, automatically take ALL finals
- Any class with a semester grade of D or F, automatically take that final

**Attendance is based on days and hours, so the number of days is an estimate. Attendance percentage will be rounded to the nearest percent
**Attendance percentage is based on OVERALL attendance at school, excused AND unexcused.
**Students may NOT opt out of Dual Credit or EOC semester finals.
**Students may NOT opt out of any class they have missed more than FOUR times in the semester.
**Students only have to be at school the hours they test. A student does not need to be in attendance during hours of classes they are not taking the final.

The THS administration will determine the finals schedule each semester. Principal’s discretion may be used concerning any issues.

Graduation Ceremony

Participation in THS commencement ceremonies is a privilege. Any student who does not meet the minimum graduation requirements will not be allowed to participate in THS commencement ceremonies. Students who graduate at semester will be able to participate in graduation. They will not be allowed to attend prom, extra curricular, senior trip, or co-curricular activities. Commencement is meant to be a formal affair and a dress code will be determined and enforced by the administration. Students are not to decorate their cap and gowns in any way until the Graduation Ceremony is over. Students failing to follow the dress code will not be allowed to participate in the graduation ceremony. Tarkio High School respects the tradition of commencement as a formal affair.
Guidance Counseling
The counseling office exists to assist students in integrating their academic, career, and personal development as a part of the school’s instructional program. The services of the Counseling and Guidance Office are open to all students and their parents. The goal of the guidance department is to assist each student in the development of their personal goals within one’s own abilities. The guidance office works with resolution of personal problems, planning educational and career goals, and providing scholarship and financial aid information. Mrs. Cooper is the counselor for grades 7-12. She is available to help all students. You may see her by appointment during the day. She will arrange the time with your classroom teacher.

Permanent Records
A cumulative record folder for every student in school is on file in the high school office. The accumulative record contains such information as attendance, test records, birth dates, health and immunization data, general family information and other items, which in the opinion of the professional staff, gives all concerned a good profile of each student.

- A transcript consists of a scholarship section, which indicates the courses taken, grades received and class rank.
- Various institutes, prospective employers, and future employers making a request of a student's record will receive the transcript only after a signed request for release of such has been filed with the high school office. The parent or student (if 18 years old) may sign the release. Observation of a student’s record by any party other than school personnel, parent or student may be made only after a request has been filed in similar fashion by the parent or student.

Accumulative records are to be protected and kept confidential. A student’s record can be observed and discussed among school personnel without parental consultation. It is to these records that colleges, prospective employers and technical schools look for information concerning you. It is important that you do your best to build a favorable record.

Student Directory Information
The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Tarkio R-I School District, with certain exceptions, obtains your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, Tarkio R-I School District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Tarkio R-I School District to include this type of information from your child’s educational records in certain school publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

If you do not want Tarkio R-I School District to disclose directory information from your child’s educational records without your prior written consent, you must notify the District in writing by the second week of school each year. Tarkio R-I School District has designated the following information as directory information:

- Student’s name
- Address
- Telephone listing
- Photograph
- Date and place of birth
- Dates of attendance
- Grade Level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors and awards received
**Attendance Procedures & Communication**

**Communication/Complaints**

We at Tarkio R-I schools believe communication is very important. To better facilitate communication between staff, students, and parents please follow these guidelines when trying to decide who to call. If you have an issue with something going on in a class we ask that you first contact the instructor to see if the issue can be resolved. Please try and schedule your conference around the teacher’s teaching schedule or meet before or after school. If the issue is not resolved in a satisfactory manner, call the building principal to express your concern. In turn, the principal will investigate the issue and get back to you as soon as possible. If you are still unhappy with the outcome or decision, contact the superintendent of schools and then the Board of Education. We feel that every attempt should be made to address your concerns or issues; however we also believe that every effort should be made to resolve the issue at the level it occurred. All students are expected to follow the procedures below to help our staff conduct class more effectively and help our school be a positive community of learning.

**Student - Teacher Contact Times**

Students and teachers may be contacted during school hours by calling the office of the high school. The high school phone number is 736-4118 or 736-4119. Westboro residents can call the school toll free by calling 984-5205. However, students and teachers will be called from classes only in an emergency. In non-emergency situations, a message will be taken and if needed the teacher or student will return the call during their free time.

**Visitors**

All persons visiting the school must check in through the principal’s office before going to the various classroom areas or hallways. Students are not allowed to have visitors go through the regular school day with them.

**Access to Students**

To ensure the safety of our students, the school administration, teachers and staff will make a reasonable effort to see that students are released only to parents and/or guardians who have legal custody of the child. Students coming from homes where the parents are separated will be given special consideration. If a parent other than the home providing parent, comes to school to talk with the child or attempts to communicate with the student by way of the phone, the school official in charge will grant such permission only if he/she believes it is in the best interest of the student, and it does not interfere with the normal educational process. If a parent, other than the home-providing parent, asks to pick up the child, or in some way be in charge of his/her person, the school official will require proof of custodianship. This may be a court order, divorce decree, the home providing parent's personal request or by police action. Persons other than parents and/or guardians requesting to communicate with students or to take custody of students are to make their requests through the principal’s office. The principal or his designee will determine the access upon the merits of the request, and the decision will be for the welfare of the student. Both parents have the right to examine their child’s school records.

**Phone Usage**

The office phones are for school use only and may be used by students for emergencies or to correspond with parents/guardians about a school related matter. Westboro’s phone service provider has provided their customers with a toll free number that can be used to call the school. The number is 984-5205.

**Cell Phone Use**

Students will be allowed to use their cell phones under following terms: before 8:00 a.m., between bells during passing time, and lunch time. Using teacher discretion, students may be allowed to use cell phones in an academic manner during class time. However, each student will adhere to the teacher’s room cell phone policy. Teachers may collect student cell phones in their classroom and hand them back at the end of class. Violations of this policy will result in the following consequences: 1st – confiscation of device, which may be picked up in the principal’s office by the student; 2nd – confiscation of device, which may be picked up in the principal’s office by the student’s parent/guardian and student will be placed in ISS for the remainder of the day; 3rd – confiscation of device, which may be picked up in the principal’s office by the student’s parent guardian and 1 day ISS/AES; 4th & subsequent – escalation of consequences from additional days ISS through Out-of-School Suspensions. The district will not assume liability for lost or stolen devices. Telephones are available in school offices for parents and students to contact each other for legitimate reasons. The use of camera/video phones or voice recordings are strictly forbidden in the private areas, such as locker rooms, washrooms, dressing areas, classrooms (per teacher discretion) and offices at any time. Camera phone violations may be treated as a level 3 or higher on the Behavior Management Plan. Such use may also be in violation of the state laws and law enforcement will be notified.
Weather Emergencies
Announcements will be made on the following radio stations: KMA at 960 AM/99.3 FM; KNIM at 97.1 FM; KFEQ at 680 AM; KXCV at 90.5/KRNW at 88.9 FM; the following television stations: KQTV 2 St. Joseph and Channel 60 on Tarkio Cable TV; as well as our INDIAN ALERT system. Patrons may sign up for the Indian Alert text message system. Please visit the district website http://tarkio.k12.mo.us/pages/Tarkio_R1 and click the icon on the district webpage. If severe weather occurs after school is in session, and you are in question as to whether school will be dismissed, please listen to one of the above stations for information. In our effort to improve communication between parents and school, Tarkio School District is instituting a telephone broadcast system that will enable school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. The service may also be used from time-to-time to communicate general announcements or reminders. This service is provided by AlertNow, a company specializing in school-to-parent communications. Tarkio Schools will continue to report school closings due to snow or weather on the above stations and will use this system as an overlay to the public announcements.

Office/School Hours
The office of the high school is open from 7:30 A.M. to 3:30 P.M., Monday, Tuesday, Thursday from 7:15 A.M.-3:15 P.M. on Wednesday, and from 7:30 A.M.-3:00 P.M. on Friday. Students are not to arrive at school prior to 7:30 unless prearranged with the Principal. Doors will remain locked until 7:30 A.M. Once students arrive at school, they are not allowed to leave without getting permission from the parent/guardian and Principal and signing out in the High School Office.

Student Drop-Off and Pick-Up
Students are to be dropped off at either the North doors or South doors of the High School building. Building independence, responsibility, and accountability within our students is crucial to their growth and success. Parents are not to enter the building with their students during drop-off or enter the building to pick-up their students. If parents need to speak to a school personnel, please call and make an appointment beforehand to ensure availability.

Attendance
All students are expected to attend school regularly and be on time for classes in order to benefit maximally from the instructional program and to develop habits of punctuality, self-discipline and responsibility. There is a direct relationship between poor attendance and class failure. Students who have good attendance generally achieve higher grades, enjoy school more and are much more employable after leaving school. It is the responsibility of every student to be in school on every day possible. The parents must share in this responsibility. We ask that the parent, guardian, or student call the school and report their absence and why they are absent by 8:30 each morning and request their child’s homework for the day at this time. Any parent calling for their child’s homework in afternoon risk not getting everything needed from their child’s teachers.

A student must be in attendance for the entire day of the school day to be eligible to participate in any school activity that night, unless the absence is pre-arranged with the principal. A student who is late for an unforeseen reason (i.e. a flat tire) may be allowed to participate at the discretion of the high school principal. Attendance procedures for Saturday events will be based on the Friday before the activity attendance. A student must be in attendance during the school day to attend an event as a spectator unless prior approval by the principal.

Absences
After three consecutive absences or a total of five absences from any class, students must begin to provide documentation as to the nature of the absence. Absences will start over at semester. Documentation must be presented upon return to school or the absence will be considered unexcused. A phone call from a parent is not documentation. The following is a list of activities that the student can be excused from with proper documentation i.e…. doctor’s note.

<table>
<thead>
<tr>
<th>Doctor</th>
<th>Dentist</th>
<th>Drivers-test 2/yr</th>
<th>Court</th>
<th>Church</th>
<th>Hospitalization</th>
</tr>
</thead>
<tbody>
<tr>
<td>Eye doctor</td>
<td>Counseling</td>
<td>Surgery</td>
<td>Therapy</td>
<td>Chiropractor</td>
<td>Personal/Family</td>
</tr>
<tr>
<td>Funeral (Principal’s discretion)</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td>(fire, flood...)</td>
</tr>
</tbody>
</table>

The principal’s discretion may/can be used in special circumstances. Personal business, vacations, or needed at home will not be excused. Appointments are difficult to schedule especially on short notice, however, we feel that all effort should be made to be at school prior to and/or after the appointment—especially when the trip is local (Rockport, Maryville, Fairfax…), unless the doctor specifies they should not return to school. All of this should be reflected in the documentation brought to the school. Documentation should be presented to school immediately upon return to school. Documentation will not be accepted after the student has returned to school for a day. An attendance committee, consisting of the HLT, will meet at the end of each semester to review all such cases at which time any student exceeding the limit can apply to have grades reinstated. The Juvenile Officer may receive written
notice of the student’s absences after five absences (excused or unexcused), and the student and parents/guardian may be called to appear in court.

**Make-up Slips**

When a student has been absent from school he/she must report to the principal’s office immediately on returning to school. An admit slip will be issued to the student. The admit slip should then be presented to each of the student's teachers at the beginning of each class. Students will be given 1 day for every day missed, up to 3 days, to get make-up work done. Extensions of this time can be granted by the principal on request if the need for the extension is valid and reasonable. It is the students responsibility to find out what work was missed or is going to be missed and have it ready at the appropriate time. Students who miss school for trips or vacations not school related must notify the principal and all teachers prior to the trip and get all work prior to leaving and have it ready to turn in upon their return. It is the students’ responsibility no matter the reason for the absence to find out from the teacher what needs to be done.

**Truancy**

Any student who is absent from school without the previous knowledge and consent of the parent/guardian or principal will be considered truant regardless of the age of the student. This includes a student who leaves school without acquiring permission from the principal or authorized representative. A truant student is subject to suspension and must be accompanied by their parent/guardian to be re-instated.

**Tardiness**

Students are to be in their seats and ready to work when the bell sounds. The teacher will confer with the students after class or after school concerning tardiness. After the third tardy to class, the student will receive detention. Six tardies will warrant two detentions. Parents will be notified in writing as students accrue tardies. Students will be notified by school principal. Nine tardies will begin the Saturday School or ISS process. The parent will be responsible for bringing or picking up the student for their detention. Detentions may be served before school or after with any teacher or THS Administration. Detentions are thirty minutes in length. In the case of a student having numerous tardies that student may lose the privilege of eating lunch with the rest of the students (private dining) and or being eligible to attend any student or school activities or functions. Students who have serious tardy issues may have all activity and participation rights revoked for the rest of the quarter or semester or until they can improve their tardiness.

**Make Up Work for Activities and School Related Trips**

All work must be made up and turned in on time for any student who goes on a school-related trip or misses school because of an athletic event. That means the next day of class or when the assignment is due. If a student goes on a school trip they will need to get the work they will be missing from their teacher prior to the trip and have it ready to turn in upon return. In the case of an excused absence as listed in the absences section, the student will have 1 day for each day missed to make up work assignments. For example a student misses 3 days in a row... they get 3 days, 1 day for each of those days missed to make up work. This does not necessarily mean you should wait that long, tests and quizzes should be scheduled before or after school to avoid disrupting the regular class instruction.

**College Visitation Policy**

The best preparation for college is a good high school education and attendance at school is an important part of your education. Juniors and Seniors will be allowed two college day visits during school time. In order to receive excused absences, you must obtain two forms from the high school counselor one week prior to your scheduled campus visit. Students will be excused to visit colleges only if accompanied by a parent or faculty member and will require visit verification. If you are a member of an organized group (i.e. Upward Bound), you may have permission to attend a college day when proper documents are submitted for approval.
INDIAN EXPECTATIONS

School Conduct
Students enrolled in Tarkio High School should take pride in the high standards of conduct and should feel obligated to maintain these standards. Every student should feel relaxed and comfortable while in the buildings but should refrain from loud and boisterous conduct at all times. Good personal habits of speech and common courtesies will be stressed and emphasized on all occasions. Misbehavior around school distracts from someone’s educational opportunities. An unacceptable act usually becomes a detriment to students other than the one that is guilty of the act.

**Take Responsibility
- Be on time
- Bring Required Materials

**Have Respect
- Use positive and kind language
- Treat property with respect & keep facilities clean

**Show Self Control
- Keep hands, feet, body, and objects to self
- Use physical and personal cleanliness
- Dress school appropriate

Indian Time Expectations
Indian time is a thirty-minute block of time designed for students to have time during the day to get additional support/assistance from their teachers, complete homework assignments, finish tests, etc. During this time, students are expected to stay focused on academic tasks. Phones and games are not allowed during Indian time.

**Due to the severity of the offense students may be placed at a higher level.**

Any time a referral warrants formal disciplinary action more serious than detention, a reasonable effort will be made by the principal to contact the parent or guardian by written notice delivered by the student, through the mail, or by direct e-mail or telephone contact.

**Bullying**

The District is committed to maintaining a learning and working environment free of any form of bullying or intimidation. Bullying is strictly prohibited on school grounds, or school time, at a school sponsored activity or in a school related context. Bullying is the intentional action by an individual or group of individuals to inflict intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; substantially interferes with the educational performance, opportunities, or benefits of any student without exception; or substantially disrupts the orderly operation of the school. Bullying may consist of physical actions, including gestures, or oral, cyberbullying, electronic, or written communication, and any threat of retaliation for reporting acts of bullying.

Cyberbullying means bullying as defined above through the transmission of a communication including, but not limited to, a message, text, sound, or image by means of an electronic device including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager. The District may prohibit and discipline for cyberbullying that originates on any District campus or at a District activity if the electronic communication was made using the school's technological resources, if there is a sufficient nexus to the educational environment, or if the electronic communication was made on the District's campus or at a District activity using the student's own personal technological resources.

Further, students who engage in significant acts of misconduct off campus which materially and adversely impact the education of District students will be subject to discipline.
Bullying, as defined in this policy, is strictly prohibited. Students are encouraged to report any incident of bullying which they have witnessed or incurred, by contacting their building principal. District employees are required to report any instance of bullying of which the employee has witnessed within two (2) school days of the occurrence. Employees shall report the occurrence to the building principal, who is the person the District designates to receive reports of incidents of bullying. A principal who receives a report of an incident of bullying shall initiate an investigation into the allegations within two (2) school days of receipt of the report. The principal may assign other employees to assist in the investigation, or request that the superintendent assign an outside investigator. The investigation shall be completed within ten school days from the date of the written report of bullying unless good cause exists to extend the investigation. No employee or student who reports an act of bullying shall be subject to reprisal or retaliation for making such a report. Any person who engages in reprisal or retaliation against an employee or student who reports an act of bullying shall be subject to disciplinary action.

Students who are found to have violated this policy will be subject to consequences depending on factors such as: age of student(s), degree of harm, severity of behavior, number of incidences, etc. Possible consequences to a student for a violation of this policy include: loss of privileges, classroom detention, conference with teacher, parents contacted, conference with principal, in-school suspension, out-of-school suspension, expulsion and law enforcement contacted.

The District shall give annual notice of the policy to students, parents or guardians, and staff. This policy shall be included in all student handbooks. This policy shall also be posted on the District’s web page (as a Board policy) and a copy shall be placed in the District Administrative Office.

The District shall provide information and appropriate training to District staff who have significant contact with students regarding the policy. All staff with significant student contact shall be trained on the requirements of this policy on an annual basis.

The District shall provide education and information to students regarding bullying, including information regarding this policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to address bullying, including student peer-to-peer initiatives to provide accountability and policy enforcement for those found to have engaged in bullying, reprisal, or retaliation against any person who reports an act of bullying. The District shall instruct its school counselors, school social workers, licensed social workers, mental health professionals, and school psychologists to educate students who are victims of bullying on techniques for students to overcome bullying’s negative effects. Such techniques include but are not limited to, cultivating the student’s self-worth and self-esteem; teaching the student to defend himself or herself assertively and effectively; helping the student develop social skills or encouraging the student to develop an internal locus of control. District administrators will implement programs and other initiatives to address bullying, to respond to such conduct in a manner that does not stigmatize the victim, and to make resources or referrals available to victims of bullying.

</table>
Classroom Detention

Teachers may assign classroom detentions, before and/or after school, to students who have demonstrated inappropriate academic or social behaviors. Detention assignments take priority over all activities and will not exceed thirty (30) minutes in length. Students who fail to report to assigned classroom detentions WILL BE referred to the principal for a building level detention. Any student who is sent from the classroom to the principal’s office for inappropriate behavior will be dealt with on an individual basis with consequences taken from the Behavior Management Plan. Parents will be notified as needed.

Saturday School

Saturday school may be assigned to students who violate school policy or who behave in an insubordinate or disrespectful manner toward school personnel. Saturday school may be assigned for multiple Saturdays, depending upon the seriousness and/or for repeat violations of school rules. Saturday school may also be used to make up days of attendance only with prior administrative approval. Saturday school is in session from 8am-Noon. No Admittance to Saturday School after 8 A.M.

In School Suspension (ISS)

ISS (in-school suspension), may be assigned to students who violate school policy or who behave in an insubordinate manner toward school personnel. ISS may be assigned for one or more days depending upon the severity of the incident and on the number of times a student has been assigned in the past. Students will be given credit for work completed during ISS and all tests will be allowed to be completed by the student. Students assigned to ISS will have one break in the morning and one break in the afternoon. The monitor will determine length of those breaks. Lunch will be eaten in the ISS area. Students in ISS may not attend or participate at practices and extra curricular activities. Students will turn their cells phone into the principal at the beginning of the school day and will not be allowed possession of it until the end of the day when it can be picked back up.

Out-of-School Suspension (OSS) and Expulsion

When the conduct of the student has arrived at a point which warrants severe disciplinary action the parents will be notified. If it is determined that a suspension (OSS)(maximum of 10 days by the principal and 180 days by the superintendent) is warranted the student will be sent home. A written record of the OSS will be immediately sent to the parents, and under normal circumstances a copy would be placed in the student’s permanent record. Students in OSS are not allowed to attend or participate in extra-curricular or school sponsored activities for the duration of the OSS. If a student’s OSS extends from one week to the next, the student will not be allowed to attend or participate in the weekend school activities. It is the responsibility of the parent of the student to arrange for and pick up any work missed during the OSS. It is the students responsibility to get the work done and be ready to turn it in upon return to school. A parent or guardian must accompany a student upon their return to school to conference with the principal or superintendent if the principal is not available. The power of permanent expulsion is reserved to the Tarkio R-I Board of Education. Permanent expulsion will result in the student being permanently dropped from enrollment in TARKIO R-I School.

A principal, by virtue of their training and position in the school district, may initiate any of the five Levels of the Behavior Management Plan for the following infractions of school rules. It is understood that misconduct cannot be categorized in so few categories, thereby if a situation occurs concerning student conduct that has not been listed in this policy, it is the responsibility of the principal to determine the appropriate punishment.

1. Assault—either physical or threatened.
2. Fighting on school grounds or at a time when the student is under the jurisdiction of the school authorities.
3. Destruction or theft of school, staff, or student property.
4. Gross disrespect such as profanity, disobedience, or such acts toward teachers, school officials, or other school employees.
5. Continuing behavior that seriously interferes with class work or the activities of the school.
6. Lovemaking, petting, or continuous amorous behavior at school or during the time that the student is under school jurisdiction, including away games and activities.
7. Possession of or use of tobacco, alcohol, drugs, vaporizers or e-cigarettes while under the jurisdiction of the school.
8. Possession of weapons at school or school sponsored activities. Examples of weapons (knives, guns, metal knuckles, fireworks or explosives).
9. Attending school or a school activity while under the influence of a controlled substance, alcoholic beverages, or substances represented to be such.
10. Extortion with the intent of obtaining anything of value from a student.
11. False alarm.
12. Careless driving on or near the school premises.
13. Use of language that is disparaging or demeaning to harass or injure other people.
14. A student may also be disciplined on a step for misbehavior while participating in or attending an extra curricular event. (i.e. Unsportsmanlike conduct, fighting, use of profanity, or the deliberate causing of serious injury to another person, gross disrespect demonstrated toward officials or others attending the event.)
**Each of these aforementioned infractions may vary in degree. It is the responsibility of the principal by virtue of their training to ascertain the situation and act accordingly within the framework of the seven step disciplinary code.**

**Weapons Rule**
This Rule is written in compliance with the Gun Free School Act, which was enacted on October 20, 1994. Any student found to be in possession of a weapon on the school premises or at a school activity may be suspended from school for one year or more. It is not the intent of this rule to punish students who inadvertently leave a hunting gun in their vehicles or students who have permission from the principal to bring hunting bow to school for reasons related to class assignments. (i.e.) A student in shop class who is making a hunting bow as a class project. Situations of this nature will be very closely supervised by the principal or their designee. For the purposes of this rule, a weapon will be defined as an instrument possessed for the purpose of inflicting harm on another. In most cases, a look-alike weapon will be treated the same as an actual weapon.

**Tobacco**
Possession and use of all tobacco products are prohibited during the school day and at school functions. Anyone found to be using tobacco or possessing tobacco at school or a school function will be disciplined at the appropriate level on the behavior management plan.

**Public Displays Of Affection**
Society’s standards change from year to year but students, staff, and parents still adhere to proper and respectful behavior regarding public displays of affection. Tarkio Schools will enforce a “no contact” policy while on school grounds or school events. Student’s inappropriate behaviors are subject to being disciplined according to the disciplinary policies of the school. If in doubt of what is acceptable ask your building principal.

**Dress Code**
Students are to be fully dressed in neat and clean clothing for the protection of theirs and others health. Prohibited items include, but are not limited to the following:
- Piercings that are considered injurious by staff/administration. Safe Schools Act
- Pajamas or clothing deemed as pajamas by the principal
- Biker shorts, unless worn under other clothing.
- Any clothing with objectionable or profane words or pictures.
- Any clothing advertising or encouraging the use of alcohol, drugs, or tobacco.
- “Half-shirts” or clothing that exposes the midriff or are low cut shirts. Top must meet or exceed top of pants at all times.
- Shirts that expose the cleavage. Rule of thumb is at least a hands width above the cleavage line should be covered.
- No clothing that is see-through or sheer.
- Tank top straps must be at least 2 fingers wide, no spaghetti straps or sports bras.
- Shorts, skirts, and/or dresses shorter than mid-thigh
- No cut up or ripped sleeveless shirts. Shirts that are sleeveless should have a manufactured cut on them.
- Clothing with holes or gaps in inappropriate locations is not acceptable, including open-back tops
- Caps, hats, or any other form of headgear worn by students in the building during the school day, male or female. Unless on special days deemed by the principal.
- Pants that are too baggy, are worn too low, or any clothing style that distracts or reveals too much.
- Shoes should be worn at all times, bare or sock feet are not acceptable except in gym during lunch.

*If in doubt, check with the principal first.* Students who violate these rules will be given the option to change into clothing that will meet school standards, or be sent home and counted absent for that time. Repeat offenders will be subject to the Behavior Management plan.

**Recreational Equipment**
School should be a place where the students feel safe and are comfortable, but we don’t want to lose sight of the purpose of school. School is a place of earning. Students should refrain from bringing to school anything of a recreational purpose that has the potential of distracting from instruction, including toys. If items of this nature are brought to school, they should be placed in the student’s locker on arrival to school and left there until the end of the school day. Items of this nature will be confiscated if found out of a locker.
during the instructional day. Another issue to be considered in regard to bringing such items to school is theft. All too commonly items are stolen from student lockers. Students are encouraged to not bring anything of great value to school.

**Food and Drink in the Building**
The vending machines can be used before, after, or during school. No food or drink is to be kept in the student lockers unless it is in a sack lunch or water. Sack lunches are to be eaten in or next to the lunchroom. Any violation of this rule will result in the confiscation of the foods or drink, and it will not be returned to the student. Drinks or items from the food machine should be eaten right away and not stored in lockers. If trash or messes begin to result from students having food then restrictions will be implemented. Teacher have final say as to any type of drink/food in their classroom.

**Care of Building and Equipment**
To destroy, mark or disfigure the equipment or property (vandalism) of the school is a public law violation. Anyone violating this law will be held responsible for such acts and must replace or pay for damages. If these acts are committed by a juvenile, the parents/guardians are responsible for the damages as per state law. If an act of negligence results in damage to school property, the students or parents/guardians will be held financially responsible for the repair or replacement of the school property damaged. A general rule of thumb is you make the mess clean it up or get help doing so. Do not just leave a mess you made for someone else to clean. Our custodial staff is here to clean and maintain the building not clean up after unnecessary or accidental messes.

**Leaving the School Grounds**
A student that finds it necessary to leave the school grounds during the day, once they have arrived, they must obtain permission from the office and their parent/guardian prior to leaving. Students leaving the school grounds without permission will be disciplined according to truancy provisions. Students failing to follow the above procedure will be subject to the Behavior Management Plan.

**Security Cameras**
Surveillance cameras are located throughout the building and school property and record 24 hours a day.

**Sexual Harassment of Students**
Sexual harassment of students of either sex by employees or other students of the opposite or same sex is strictly prohibited in the school district. For purposes of sexual harassment and sexual discrimination policies only, an employee includes any person enrolled in the school district or in district instructional programs. Sexual harassment is defined as sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature made by a member of the school staff to a student or made by any student to another student when:

- Submission to such conduct is made either explicitly a term or condition of a student’s academic status or progress; or
- Submission to or rejection of such conduct by a student is used as the basis for evaluating the student’s performance within a course of study or other school-related activity; or
- Such conduct has the purpose or effect of interfering with a student’s educational performance or creating an intimidating, hostile or offensive educational environment.
- Such conduct has the effect of favoring another student.

Whether a student voluntarily submits to sexual advances or requests is irrelevant for purposes of the policy. Sexual harassment of a student by an employee or another student may include such things as sexually oriented jokes, remarks, cartoons, pictures, or letters; pressure for sexual activity whether written, verbal or through physical gestures; and physical contact such as patting or pinching. Students who believe they have been victims of or have witnessed sexual harassment should report the incident(s) to any teacher, guidance counselor or school administrator. The staff member who receives the complaint shall promptly inform the administrator who is designated to investigate such reports, or the next level administrator who is not the subject of the complaint. There will be no adverse action taken against a person for making a complaint of sexual harassment when the complainant honestly believes sexual harassment has occurred or is occurring or for participating in or cooperating with an investigation. Adverse action would include any form of intimidation, reprisal or harassment such as suspension, expulsion, termination, and change in educational conditions, loss of privileges or benefits or other disciplinary action. Any individual who retaliates against any employee or student who reports, testifies, assists or participates in an investigation or hearing relating to a sexual harassment complainant will be subject to discipline. The appropriate administrator shall provide for a thorough, prompt investigation of the incident, and the investigation and written report shall be completed within a reasonable period of time. The district shall take disciplinary action where appropriate, up to and including suspension and/or expulsion of the student or suspension and/or termination of the employee, in order to endure that further sexual harassment does not occur. No person who is the subject of a complaint shall conduct such an investigation. If the superintendent is the subject of the complaint, an individual authorized by the board will conduct an investigation. Any student found
to have violated this policy by committing an act of sexual harassment or retaliating against a complainant or participant in the investigation shall be subject to disciplinary action including, but not limited to, suspension and expulsion. Confidentiality will be preserved consistent with applicable laws and the responsibility to investigate and address such complaints. If investigation of a student complaint results in reasonable case to suspect that the student has been subjected to abuse or neglect, the matter will be reported in accordance with Board policy. Students who believe that their complaint has not been satisfactorily resolved may fill out a Grievance Form at the appropriate level. Publications disseminated to the employees and students will inform them of this policy. Employees of the school district can substitute employee for student in policy text as this policy applies to all students and personnel.

**Due Process**

Each student is expected to be thoroughly acquainted with regulations explained in this handbook. In addition, he/she is expected to abide by them. If at any time a student or parent/guardian has a question about any policy included in this handbook or its interpretation, they should contact the principal or superintendent by calling (660) 736-4118 or (660) 736-4161.

In a disciplinary matter that includes the consequence of ISS or OSS a student has the right of due process. A student may be suspended from classes and/or school as well as recommended for expulsion by the Board of Education. The basis of evidence for this action is violation of the discipline code outlined in this handbook, approved by the Board. Due process includes: 1. Oral and/or written notice of charges of violation. Meeting with administrator. 2. The opportunity to admit or deny such charges, and to provide an explanation of the situation, and to provide evidence contrary to the charges. 3. If suspended, the parent will be notified of the findings by the principal. A copy of the policy on student expulsion procedures will be provided to the parent when that action is recommended. That policy can be viewed by parents or students at the principal’s or superintendent’s office.
Activities Information

Title IX
The Tarkio R-I School complies with all Title IX policies. All courses offered in the Tarkio R-I School are open to any interested student, assuming all prerequisites have been met. Some classes will have a limit to the number of students allowed to enroll. In such cases, seniority and a student’s GPA will be used to determine priority. If any person feels that a formal grievance should be filed concerning these policies, the contact person is the secondary principal.

Student Activity Tickets/Passes
Student activity tickets are available in the principal's office for $20.00. An activity ticket is good for admission to all home athletic events, except state sponsored tournaments.

State Competition
Transportation to and from state competitions will follow the guidelines of the transportation rules that apply to other school activities. The administration, with input from the coach(es) or sponsors involved will determine departure times and the need to stay overnight. If it is determined that there is a need to stay overnight, the principal will arrange for lodging and the district will pay the room expense and an amount to offset meal expense.

Student Transportation
All students of the Tarkio R-I School District participating in extra curricular activities will be transported from the school to the site of the activity sponsored by the school off school grounds, by bus or school approved vehicle(s). The return trip will be by the same vehicle unless an excuse is in the hands of the high school principal before the vehicle's departure from school. A student may travel to a contest with a parent if there is a need to do so. Such arrangements need to be made in advance and cleared through the principal's office. Cheerleader sponsors will determine and approve transportation for cheerleaders with administrative approval. It is the responsibility of the cheerleader to communicate clearly with the sponsors to avoid potential transportation problems. The parent may contact the director at the event or activity, if they wish to transport their child after the event. A sign out sheet will be available to sign their student out. Only a parent or guardian may sign a student out. A parent may arrange for alternative return transportation by an approved adult, by completing a transportation form and returning it to the high school principal prior to the bus departing for the event.

- Coaches have the authority to require that students ride to and from all events on school provided transportation.
- Exceptions to the above can only be made by the principal.
- Permission slips are always available in the principal's or athletic director's office.
- An adult is a responsible person 21 years of age or older.
- If the trip is scheduled for a non-school day, the permission slip should be turned in to the office that Friday.
- See the East Atchison Wolves Coop Handbook for activities that have been cooped.

Junior High
It is our desire to provide a good transition from the elementary school to the junior high school. With this in mind we want to keep the Junior High and the Senior High students separated as much as possible. Junior high students will not be allowed to participate in high school activities. Junior high students will be encouraged to maintain their own identity and will have the same basic privileges that the high school student is allowed. (i.e.) Junior high students will not be allowed to attend high school dances, but junior high students will be encouraged to have their own dances that high school students cannot attend.

Tarkio R-I Eligibility for Extra Curricular Participation

MSHSA Requirements – Grades 9-12
- Student must be enrolled in, and regularly attend, courses that offer 3 units of credits or 80% of the maximum allowable credits (4 units of credit in Tarkio) which may be earned, whichever is greater.
- Credits earned or completed after the close of the semester may be accepted, with the approval of the school or MSHSAA.
- A beginning 9th grade student must have been promoted at the close of the previous school year.
- Student must be making satisfactory progress toward graduation as determined by the school district.
- Students are not to drop any courses without first consulting with your school principal, athletic director or counselor to determine whether or not it will affect eligibility.

Note: Special education students with IEP’s may have requirements modified.
MSHSSA Requirements – Grades 7 & 8

- Student must be enrolled in a normal course load at school.
- Student must have been promoted to a higher grade at the end of the previous year. However, even though they may have been promoted, they will still be ineligible if they failed more than two classes the previous semester.

Tarkio R-I Requirements – Grades 7-12

**Take Precedence Over M.S.H.S.A.A. Since They Are More Restrictive**

- Students in grades 7-12 must be enrolled in classes that total 4 units of credit per semester in order to participate in extracurricular activities, and in the case of athletics, this includes practice.
- Eligibility will be determined after each grade check listed on the district calendar of the student handbook. Any student receiving an “F” for a grade check will be ineligible for participation for any extracurricular activity or out of school practice or performance until next they raise the grade. Students who are ineligible are expected to practice and will be able to travel with the team, but will not dress out until eligible. The coach or advisor may use them as a helper or manager. The student will sit with the team or group and do as directed by the coach or advisor when at extra-curricular events, students who do not will lose their privilege to travel with their team or group and may lose eligibility altogether.
- If an ineligible student is part of a group (singing/band/ag team), they will be allowed to participate in that group event if they are not replaceable and/or that group is dependent upon them to continue, but the student will still be ineligible for individual events.
- Ineligible students involved in co-curricular activities will be allowed to participate in local interscholastic events (ie. band and vocal concerts) if such participation is considered to be a part of grade requirements.
- A student shall be considered ineligible while on OSS. A student who is expelled or who withdraws from school because of disciplinary actions shall not be considered eligible for a period of 365 days from the date of the expulsion or withdrawal.
- A student must be in attendance for the entire day on the date of a contest to be eligible to participate that day, unless the absence has been excused in advance by the principal. Such exceptions that may be considered but not limited to the following: (1) the acceptance of an award or scholarship, (2) a legitimate scheduled medical appointment that may take all or part of the school day, (3) a planned participation in a career-oriented or educational activity that may not be specifically school related, (4) participation in a school-sponsored field trip or activity, and (5) the death or funeral of an immediate family member or a family emergency.
- A student may not compete on an outside team or individual match competition during the season in which she/he is representing the Tarkio R-I Schools. He/she shall not miss school time to compete, practice or travel to the site of a non-school sponsored athletic competition in any sport in which the member school competes interscholastically, unless approved by the principal. She/he shall not practice for, or compete in, non-school competition on the day he/she practices or competes for the Tarkio R-I schools, unless approved by the principal.
- A student shall not have reached his/her 19th birthday prior to July 1 of the present school year. Junior high school students shall not have reached the following ages prior to July 1: Grade 7: 14  Grade 8: 15
- A student shall not have competed under an assumed name.
- Competing for awards having utilitarian value such as jackets, cash, or merchandise prizes will result in her/his being named ineligible.
- Students who represent Tarkio R-I Schools in interscholastic and/or beyond the classroom activities must be creditable citizens, both in and out of school, and judged so by the proper authorities. Those students whose conduct or conduct is such to reflect discredit upon themselves or the school are not considered “creditable citizens.” The principal and the coach/sponsor/teacher shall judge inappropriate conduct. A student must attend a full day of regular attendance prior to any school activity or contest in order to participate, unless prearranged with the principal.
- Coaches and sponsors may set individual rules of conduct pertaining to their program, as long as the rules do not violate or circumvent district policy and comply with accepted consequences and penalties. All such policies will be approved by the principal prior to being implemented.
- TRANSFER STUDENT ELIGIBILITY: Any 7-12 students that transfers from another school into the Tarkio R-I Schools with failing grades from their previous school in the last grading period of their attendance will be subject to district eligibility rules. The High School Principal will have the final say in the interpretation of the Academic Eligibility rule.

**Selection of Students for Participation in Programs and Activities**

Student selection for participation in certain instructional, extra-curricular, and co-curricular programs and activities will be selected based solely on ability, performance, or prerequisites and not on the basis of race, color, nation origin, sex, age, or handicap, except as prescribed by the statutes of the state of Missouri by the MSHSSA, or by the state or national authority governing membership or
participation in that program or activity. The sponsor, coach, counselor, or building administrator will make criteria for selection of students for participation in programs or activities available to students and parents.

**Public Events**
Concerts, assemblies, graduation ceremonies, etc., are for the enjoyment of the public and are intended to display the talents and achievements of the students involved. Students who attend these events as spectators are expected to behave accordingly. Those who create disruptions will be asked to sit with their parents or will be prohibited from attending these functions.

**Student Information**

**Breakfast and Lunch**
The cafeteria is operated in the Elementary School building and serves hot breakfast and hot lunch for grades PK-12. Breakfast is served from 7:30-7:50 a.m. Tarkio R-I has a closed meal policy, so students may not leave school for breakfast or lunch. The lunch schedule is set by the administrators. Students may have assigned seating at certain tables and, if so, are expected to sit in designated areas. Students may visit quietly while eating and are expected to stay in their seats until dismissed by the lunchroom supervisor. Good manners are a must. Students may be assigned to assist with basic table cleaning at the end of their lunch period. Students who do not follow the cafeteria rules may lose privileges and/or may be assigned to restricted lunch.

Applications for reduced or free meal pricing will be sent home with students at registration or on the first day of school. All parents are encouraged to complete an application form so that students have the opportunity to enjoy balanced meals at the lowest cost. One form per family is sufficient.

All student meals should be paid for in advance by depositing money into the students’ food service accounts. Each student has his/her own individual account, and/or money for all meals (breakfast, lunch, and/or extras) goes into the same account. Please send money in a sealed envelope with name, grade, and amount. If sending money for more than one student, please indicate how much money you want in each child’s account. Students/adults may make food service payments by mail or in the food service office. Notices will be mailed when a student’s account reaches a balance of $25. Charging will be severely limited, and students with a balance of -$25 or less will likely be served an alternate meal or may not be served at all. Paying in advance for the month is the best practice.

There is a charge for all ‘extras’ regardless of meal status. Extra milk is 30¢ per carton. Ala carte items and second meals may be available at additional cost. If you do not want your child to have extra milk or ala carte items, please tell your child not to take those items. You may also tell the Food Service Manager, who will attempt to prevent your child from taking extras. Regardless, students will be charged for all food items taken.

**Pop is not allowed in the lunchroom during meal times.** Students are not to bring pop or other carbonated beverages in sack lunches. Parents may eat school breakfast or lunch with their child. Adult meals are $2.15 for breakfast and $2.30 for lunch. If planning to eat at school, please notify the school so enough food is prepared. Please honor the ‘no pop, no outside foods’ rules. Be prepared to pay for the adult meal in cash, as the food service system is not set up to deduct adult meals from a student’s account.

**Senior Trip Policy**
Rationale: The senior trip should be an earned privilege. Senior students should make an effort to exhibit exemplary behavior, attendance and academic performance to be included in this activity. For this reason, the following guidelines are established governing the eligibility for participation:

**General Regulations:**
- Participation is voluntary. Students participating must have accumulated the required credits for graduation. Participation shall require a signed release by the parent/guardian of each senior, indicating that guidelines have been read and understood and the parent/guardian accepts the rules and responsibilities. Any student who does not meet minimum graduation requirements will not be allowed to go on the senior trip.
- Money earned by seniors will be divided among those who are going on the trip. Senior trip money will be accumulated from 7th grade through Senior year. Money accrued during concession stands will be disbursed based upon the number of concession stands worked by either the students or students’ parents/guardians. **As a result, some students may earn more than others.**
- Seniors who either lose the privilege to attend or decide not to attend, forfeit their rights to any funds.
- All required class work must be complete and approved by each teacher.
- All financial obligations to the school must be taken care of prior to the trip. This includes any debts that may be outstanding over the student’s cumulative years in the district.
- The trip location will be selected by the class and sponsors, voted on by the class, and approved by the administration and school board.
• Senior trip is a school sponsored activity and all rules and policies governing school sponsored activities will apply unless otherwise specified by the senior trip rules written and agreed upon by the class sponsors and school administration.
• Trip chaperones will be class sponsors and may possibly include other adults approved by the administration. Any chaperones, besides sponsors, will have their expenses paid or reimbursed by the school district.
• The arrangement for transportation on the trip will be the responsibility of the senior class sponsors.
• It shall be the responsibility of the chaperones to supervise student activities while on the trip. This activity is considered a school extracurricular activity and is therefore subject to the guidelines for student discipline and conduct as provided in the student handbook.
• The parent/guardian of any student whose behavior on the trip necessitates being sent home before the trip is over shall incur the responsibility for those expenses, including arranging for transportation.
• Any disciplinary action that may be taken for violation of school rules on the trip might affect graduation status and may require board action.
• Any students participating in a Senior skip day may lose the privilege of going on senior trip.

Student Eligibility will be called into question, if during the senior year, any of the following are applicable:
• The student has been suspended out of school (OSS) for any disciplinary violation.
• The student has been suspended in school for two or more times for disciplinary violations.
• Students who have less than a 95% attendance record for their senior year. Hourly attendance is used to determine a student’s attendance record. An attendance deadline will be established each year to aid class sponsors in obtaining appropriate lodging.
• Students who have not participated in class fund-raising activities will risk personal payment for the trip/activities amounts to make up the deficit in class funds that resulted from their non-participation in any of these activities. (This may be adjusted in case of extenuating circumstances)
• The student has been charged with or arrested for possession or use of alcohol, drugs, or paraphernalia during grades 9-12
• Principal’s discretion may be used regarding these guidelines.

Pictures
Pictures will be taken during the school year. Notices will be sent home before the pictures are to be taken. Parents may purchase the pictures if they so desire.

Student Parking
All students will park in the High School lot north of the main building. Spaces are available on a first come first served basis. Students will be allowed to park in staff parking spots anytime after 4pm (M-F). If space runs out, students will be directed to park in an alternate location by the principal. Please be courteous in your parking. Students who drive should not return to their vehicles during the school day without checking with the principal’s office to get permission. Students are reminded to park in a single space centering their vehicle on the parking block. Reckless driving in the parking areas or immediately after leaving the parking space will not be tolerated. Those who do may lose their parking privilege on school property, or have to turn in their keys on arrival and wait until all students have left the area before being allowed to leave. Remember to enter and exit in the appropriate locations and to buckle up.

Class Activities
Sponsors will clear all class or organizational activities with the principal prior to scheduling any activity. Students who are going to be out of school on school sponsored activities are to check with teachers and receive assignments before they leave. If a student is falling class(es) they will remain in school, rather than attend out of school field trips. Students will have many opportunities to earn money for their portion of class dues; if a student does not take advantage of these opportunities then fines may be levied to pay an individual students portion of funds. Every member of the class will attend class meetings if held during the school day.

Field Trips
Students who are academically ineligible for extra-curricular activities will not be allowed to go on field trips, unless the trip is deemed to be instructional in nature and directly related to the course curriculum. Students who are failing a class for the current term (quarter or semester) or who have not been turning homework assignments will not be allowed to go on field trips. The definition of a field trip for the purposes of this rule is: any school sponsored activity that takes the student out of a class other than the class sponsoring the trip.

Class Parties
Please do not plan any parties or food in the classroom without prior approval. All class parties must be approved by the principal prior to the proposed event.
Physical Education Excuses
All students are expected to take and participate in physical education classes to learn about and then lead a healthy lifestyle by exercising and participating in that class's activities. To be excused from participation in P.E., students must have a doctor's excuse listing specific reasons for a long term excuse and a parent phone call listing the specific reason for the excuse. Students who do not dress out will be expected to complete a paper assignment given to them by the teacher to make up for not participating. After five non dresses in P.E. students will be assigned detention. All students are expected to clean out and take home their clothes and towels to be washed at least every Friday. Student are not to keep textbooks in their gym lockers, as books and wetness do not mix well. Students should have appropriate dress, shoes, and a towel for each day of class. Students are expected to shower after each class unless they have P.E. 2 hours in a row or have practice right after last hour P.E.

School Nurse
Tarkio R-I employs the services of a school nurse. Students who become ill will be sent first to the JH/HS secretary, who will then send the student on to the nurse's office in the elementary building. The nurse should be consulted immediately in the event of an accident, then the principal should be notified. Students must check out through the building principal before going to see the nurse, unless it is an emergency situation.

Library
The library will be used as a library and sometimes as a study hall. If a student abuses the library in any way: e.g. talking out loud repeatedly, being belligerent with the librarian, having too many books overdue, destroying books, or creating any kind of a disturbance, he/she may have all library privileges taken away. Rules set up by the librarian are to be observed.

Lockers
Juniors and seniors may choose their locker assignments from the lockers located in the lower high school hallway. Freshmen and sophomores may choose their locker assignments from the lockers located in the upper high school hallway. Students should use only the one locker chosen by them unless they have been given permission by the principal for use of two. Students who have been suspended or have had three or more referrals to the office the previous year may forfeit their privilege to choose their locker assignment. The principal can change locker assignments if it is deemed to be in the best interest of an orderly school environment.

Students must retain the locker assigned to them unless given permission to change by the principal. Lockers are to be kept clean and orderly. Only magnets may be used to hang things in or on lockers. A locker inspection will be conducted periodically. Lockers that are not clean and orderly must be cleaned by the student prior to returning to class.

Students are advised not to leave large sums of money or other valuables in their lockers. Students are responsible for their own property. Valuables should never be left unattended unless they are locked in a secure place. If a student wants a lock to put on their locker they will be assigned one from the school. Locks from home should not be used. Students should not be in other students’ lockers for any reason. All lockers remain school property and are subject to inspection without notice by the school authorities when deemed necessary.

Bus Regulations
The district provides bus transportation for students living more than a mile from the school. Riding the bus is a privilege that can be suspended or terminated if students fail to follow the rules. Bus riders are expected to respectfully follow all directions given by bus drivers. First discipline infraction will result in a phone call home and a seat change. Second discipline infraction could result in a suspension of bus riding privileges. Additional infractions could result in a loss of bus riding privileges.

Pupils will load on the south drive (Pine Street) immediately after dismissal. Busses will depart from the school 10 minutes after the dismissal bell. Bus routes will be established before the school year begins. Regular stops will be publicized, and all students riding buses are expected to board and leave the bus at a previously designated stop. Students should not request the driver to stop at a non-designated stop unless their parents/guardian has already personally contacted the driver. All school regulations apply during the time students are being transported on a bus.

Students:
- You must be on time; the bus cannot wait beyond its regular scheduled stop-time for those who are tardy.
- You must not at any time extend arms, hands or head out of bus window.
- You must be seated while bus is moving.
- You must obey directions of the driver at all times, including when leaving the bus.
- If you must cross in front of the bus, you will do so at least ten feet in front of the bus and only after the driver has signaled for you to cross.
**Consequences for bus misconduct:**

- 1st offense: detention
- 2nd offense: removal from bus for five days
- 3rd offense: removal from bus for ten days
- 4th offense: possible permanent removal from bus

Public Notices

Notice of Nondiscrimination Policy

As per board of Education policy, applicants for admission and employment, students, parents of elementary and secondary school students, sources of referral of applicants for admission and employment, and all unions of professional organizations holding collective bargaining or professional agreements with Tarkio R-1 Schools are hereby notified that this institution does not discriminate on the basis of race, color, national origin, sex, age, or handicap in admission/access to or treatment/employment in its programs and activities. Any person having inquiries concerning the Tarkio R-1 Schools’ compliance with the regulations implementing Title VI, Title IX, or Section 504 coordinator, who have been designated to coordinate the institution’s efforts to comply with the regulations implementing Title VI, Title IX, and Section 504. Any person may also contact the Assistant Secretary for Civil Rights, U.S. Department of Education, regarding the institutions compliance with the regulations implementing Title VI, Title IX, or Section 504.

JURISDICTIONAL STATEMENT

This handbook is an extension of board policy and is a reflection of the goals and objectives of the school. The board, administration, and staff expect students to conduct themselves in a manner befitting their age level and maturity and with respect and consideration for the rights of others. Students are expected to treat teachers, support staff members, students, visitors and guests with respect and courtesy. Students may not use abusive language, profanity, or obscene gestures or language.

This handbook and school district policies, rules and regulations are in effect while students are on school grounds, school district property or property within the jurisdiction of the school district; while on school busses or vehicles, or chartered transportation; and while attending or engaged in school activities. This also applies to students while away from the school if the misconduct directly affects the good order, and efficient management and welfare of the school district or involves students or staff.

Students are expected to abide with school district policies. Students who fail to comply with these rules and regulations may be disciplined for conduct which disrupts or interferes with the educational program. Disciplinary measures include, but are not limited to, removal from the classroom, detention, suspension, probation and expulsion. It may be applied to prohibition from participating in extra curricular activities. The consequences imposed will be based on the facts and circumstances surrounding the incident(s), the student’s disciplinary record and other extenuating situations.

The school reserves and retains the right to modify, eliminate, or establish school district policies, rules and regulations as circumstances warrant, including those contained in this handbook. Students or parents with questions or comments are requested to contact school administrators for information about the current enforcement of policies.
Summary of Tarkio R-1 Technology

*Please be advised this is a summary, it does NOT contain all information present in the policy and it is not a legally binding contract. You will find the full policy on page 36 in your student handbook.*

- All students 7-12 will have a laptop/tablet and protective case made available for their educational use during the school year with a $100 deposit
- Upperclassmen will have first choice of the devices available
- Yearbook students will be the only students allowed to use the Macbooks
- Students in Grades 7-8 will not be allowed to take the devices home unless they are signed out
- Students in Grades 9-12 will be allowed to take the devices home as needed
- There will be a secure place available to students to leave and charge their devices overnight IF they choose not to take them home. They should NOT be left in lockers as they will not be charging.
- If the device is broken, the deposit will be used to fix the device. If expenses are greater than the deposit the student is responsible for paying the difference.
- Students will be expected to use the devices for EDUCATIONAL purposes. Social Media and shopping will be filtered during school hours.
- Any form of bullying, harassment, or explicit behavior will result in disciplinary actions from the administration
- Students are prohibited from modifying their device. For example; intentionally downloading viruses, programs that are not approved by a school official, trying to get around the filter, vandalizing the device, and hacking into other systems.
- The school district’s implementation of the internet filtering software does not guarantee that students will be prevented from accessing materials that may be considered inappropriate and/or harmful. However, it is a meaningful effort on the part of the school district to prevent students from accessing inappropriate and/or harmful materials on the internet. The school district makes no guarantee that the filtering software will be available at all times or that the filtering software will block all inappropriate and/or harmful material.

Tarkio R-1 Technology Policy

APPROPRIATE USE OF DISTRICT TECHNOLOGY, NETWORK SYSTEMS, AND INTERNET ACCESS

The board is committed to making available to students and staff members access to a wide range of electronic learning facilities, technology (including, but not limited to, computers, laptop computers, tablets, and/or hand held devices), equipment, software, network systems, and internet access. The goal in providing this technology and access is to support the educational objectives and mission of the school district and to promote resource sharing, innovation, problem solving, and communication. The district’s technology, network, and/or internet access is not a public access service or a public forum. The district has the right to place reasonable restrictions on the material accessed and/or posted through the use of its technology, network, and/or internet access.

Opportunity for limited access to the district’s technology, network systems, and the internet shall be available to all students and staff within the district. However, access is a privilege, not a right. Each student and staff member must have a signed acceptable use agreement on file prior to having access to and using the district’s technology, network systems, and the internet. The amount of time and type of access available for each student and staff member may be limited by the district’s technology and the demands for the use of the district’s technology. Even if students have no access to and/or use of the district’s technology, network systems, and the internet, they may still be exposed to information from the district’s technology, network systems, and/or the internet in guided educational activities at the discretion of district employees.

Every item of technology in the district having internet access shall not be operated unless internet access from the technology is subject to the district’s technology protection measure (i.e. filtering software). The technology protection measure employed by the district shall be designed and operated with the intent to ensure that students are not accessing inappropriate sites that have visual depictions that include obscenity, child pornography or are otherwise harmful to minors. The technology protection measure may only be disabled for an adult’s use, if such use is for bona fide research or other lawful purposes.
The technology director/coordinator may close a user account at any time as required. In addition, administrators, faculty, and staff may request that the technology director/coordinator deny, revoke or suspend user accounts. Any user identified as a security risk or having a history of problems with appropriate use may be denied access to the district’s technology, the district’s network systems, and the district’s internet access. Students and staff members will be instructed, at a minimum, on an annual basis by the district’s technology director/coordinator or other appropriate personnel on the appropriate use of the district’s technology, network systems, and internet access.

The use of the district’s technology, network systems, and internet access shall be for educational purposes only and will be allowed by an immediate supervisor and/or administrator. Students and staff members shall only engage in appropriate, ethical, and legal utilization of the district’s technology, network systems, and internet access. Personal use by staff and students is not allowed during contracted hours.

Students and staff members shall protect district technology and technology-related equipment from damage and theft. Each student and staff member shall be responsible for any damage to district technology and technology-related equipment they have been issued from the time it is issued to them until the time it is turned back into the district, including damage to the technology, technology-related equipment, and/or software on the technology (including labor costs). All students using district owned equipment will be issued a protective bag. Devices should be stored in the bags at all times during the day, unless they are being used. This includes being transported from class to class between the bells.

Student and staff member use of the district’s technology, network systems, and internet access shall also comply with all district policies and regulations. The following rules provide guidance to students and staff for the appropriate use of the district’s technology, network systems, and internet access. Inappropriate use and/or access will result in the restriction and/or termination of the privilege of access to and use of the district’s technology, network systems, and internet access may result in discipline for students up to and including expulsion and/or other legal action. It may also result in discipline for staff members up to and including termination of employment and/or other legal action. The district’s administration will determine what constitutes inappropriate use and their decision will be final. Inappropriate use of the district’s technology, network systems, and internet access includes, but is not limited to a violation of the following rules:

- Do not make or disseminate offensive or harassing statements or use offensive or harassing language including disparagement of others based on age, color, creed, national origin, race, religion, marital status, sex, sexual orientation, gender identity, physical attributes, physical or mental ability or disability, ancestry, political party preference, political belief, socioeconomic status, or familial status. Do not swear, use vulgarities or any other inappropriate language. Be polite and follow the same privacy, ethical, educational, and other considerations observed regarding other forms of communication.
- Do not access, create or disseminate any material that is obscene, libelous, indecent, vulgar, profane or lewd; any material regarding products or services that are inappropriate for minors including products or services that the possession and/or use of by minors is prohibited by law; any material that constitutes insulting or fighting words, the very expression of which injures or harasses others; and/or any material that presents a clear and present likelihood that, either because of its content or the manner of distribution, will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities, will cause the commission of unlawful acts or will cause the violation of lawful school regulations.
- Do not disseminate or solicit sexually oriented messages or images.
- Do not transmit your credit card information or other personal identification information, including your home address or telephone number from any district technology, unless for a legitimate district-related purpose. If you do transmit such information from the district technology, the district is not responsible for the dissemination of this information and/or any damages resulting from such dissemination.
- Do not publish personal or private information about yourself or others on the internet without prior written permission. Do not repost a message that was sent to you privately without permission of the person who sent the message. If any information is to be provided regarding students, it should be limited to the student’s first name and the initial of the student’s last name only. Do not arrange or agree to meet with someone met online.
- Do not use the district’s technology, network systems, and/or internet access to participate in illegal activities. Illegal activities include, but are not limited to, gambling, fraud, and pornography.
- Do not subscribe to or access listservs, bulletin boards, online services, e-mail services, social networking sites (i.e. myspace, facebook, twitter) or other similar services without prior permission from the technology director/coordinator or other appropriate personnel.
- Do not use, possess or attempt to make or distribute illegal/unauthorized copies of software or other digital media. Illegal/unauthorized software or other digital media means any software or other digital media that has been downloaded or copied or is otherwise in the user’s possession or being used without the appropriate registration and/or license for the software or in violation of any applicable trademarks and/or copyrights, including the payment of any fees to the owner of the software or other digital media.
● Do not alter, modify, corrupt or harm in any way the software stored on the district’s technology or network systems, including installing any software on district technology or on the district’s network systems or running any personal software from either floppy disk, CD-ROM, DVD, flash drives or other storage media or alter or modify any system data files stored on the district’s technology or network systems without prior permission and/or supervision from the technology director/coordiantor or other appropriate personnel.

● Do not download any programs or files from the internet without prior permission from the district’s technology director/coordiantor or administrator. Any programs or files downloaded from the internet shall be strictly limited only to those that you have received permission from the technology director/coordiantor or administrator to download.

● Do not use any encryption software from any access point within the district.

● Do not share a personal user account with anyone. Do not share any personal user account passwords with anyone or leave your account open or unattended. You will be responsible for any consequences, monetary or otherwise, resulting from the sharing of your password and/or accessibility to your accounts.

● Do not access the district’s technology or network systems or use the district’s internet connection from non-district owned technology without prior authorization from the technology director/coordiantor or other appropriate personnel.

● Do not use an instant messenger service or program, internet relay chat or other forms of direct electronic communication or enter a chat room while using the district’s technology, network systems, and/or the district’s internet connection during school hours unless prior authorization from the technology director/coordiantor or other appropriate personnel.

● Do not disable or circumvent or attempt to disable or circumvent filtering software without prior permission from the district’s technology director/coordiantor or other appropriate personnel.

● Do not play any games or run any programs that are not related to the district’s educational program during school hours without prior permission from the technology director/coordiantor or other appropriate personnel.

● Do not vandalize the district’s technology or its network systems. Vandalism is defined as including, but not limited to, any attempt to harm, modify, deface or destroy physical equipment or the network and any attempt to harm or destroy data stored on the district’s technology or the network or the data of another user. All users are expected to immediately report any problems or vandalism of technology equipment to the administration, the technology director/coordiantor or the instructor responsible for the equipment.

● Do not commit or attempt to commit any act that disrupts the operation of the district’s technology or network systems or any network connected to the internet, including, but not limited to, the use or attempted use or possession of viruses or worms or participation in hacking or other unlawful/inappropriate activities on line. Users must report any security breaches or system misuse to the administration or technology director/coordiantor. Do not demonstrate any security or other network problems to other users; give your password to another user for any reason; and/or use another individual’s account. Do not attempt to log on to any device as a system administrator.

● Do not use the network in such a way that you would disrupt the use of the network by other users or would waste system resources (e.g. listening to internet radio, printing web pages without prior permission from the technology director/coordiantor or other appropriate personnel, staying on the network longer than is necessary to obtain needed information).

● Do not use the district’s technology and/or network systems for any commercial or for-profit purposes, personal or private business, (including but not limited to shopping or job searching), product advertisement or political lobbying and religious lobbying during school hours without prior permission from the technology director/coordiantor or other appropriate personnel.

● Do not use the district’s technology, network systems, and/or the internet to access, download, transmit, and/or disseminate any material in violation of any federal or state law, copyrighted material, obscene material, hate literature, material protected by trade secret, viruses and/or worms, offensive material, spam e-mails, any threatening or harassing materials, and/or any material that will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities. If a user encounters potentially inappropriate information, the user shall immediately terminate contact with such information and notify the technology director/coordiantor or other appropriate personnel of the contact with inappropriate information.

● Do not plagiarize information accessed through the district’s technology, network systems, and/or the internet. Students and staff shall obtain permission from appropriate parties prior to using copyrighted material that is accessed through the district’s technology, network systems, and/or the internet.

**Cyber-bullying**

The Tarkio R-1 School expressly forbids cyber-bullying. “Bullying” means intimidation or harassment that causes a reasonable student to fear for his or her physical safety or property. Bullying may consist of physical actions, including gestures, or oral, cyberbullying, electronic, or written communication, and any threat of retaliation for reporting of such acts. For the purposes of this policy, “cyber-bullying” shall mean using the communication capacities of computers, the Internet and/or other digital communication devices to bully others by but not limited to:

- Sending or posting cruel messages or images, threatening others, excluding or attempting to exclude others from activities or organizations, starting or passing of rumors about others or the school system, harassing or intimidating others, sending angry, rude or vulgar messages directed at a person or persons privately or to an online group, sending or posting harmful, untrue, or cruel statements about a person to others, pretending to be someone else and sending or posting material that makes that person look bad or places that person in potential danger, sending or posting material about a person that contains sensitive, private or embarrassing
information, including forwarding private messages or images; and/or, engaging in tricks to solicit embarrassing information that is then made public. Students found to be engaging in activities as describe above shall be subject to the terms of the Tarkio R-1 Anti-Bullying Harassment Policy stated within the student handbook.

The district will, within the curriculum currently being offered, include age-appropriate content related to children’s use of the internet. This may include anti-bullying and harassment considerations, social networking considerations, and other considerations involving internet usage.

Although reasonable efforts will be made to make sure students will be under supervision while on the network, it is not possible to constantly monitor individual students and what they are accessing on the network. Some students may encounter information that may not be of educational value and/or may be inappropriate. If a student encounters such information, the student should terminate access to the information immediately and notify supervisory personnel or other appropriate personnel of what occurred.

Students will be able to access the district’s technology and network systems, including use of the internet, through their teachers and/or other appropriate supervisors. Individual electronic mail addresses will be issued to students. If a student has an electronic mail address that has been set up outside of school, the student will not be permitted to access that e-mail account or use that address to send and receive mail at school.

Parents will be required to sign a permission form to allow their students to access the district’s technology, network systems, and the internet. Students and staff members will sign a form acknowledging they have read and understand the district’s policies and regulations regarding appropriate use of the district’s technology, network systems, and the internet; that they will comply with the policies and regulations; and they understand the consequences for violation of the policy or regulations. Prior to publishing any student work and/or pictures on the internet, the district will obtain written permission from the student’s parents to do so.

The district has the right, but not the duty, to monitor any and all aspects of its technology, network systems, and internet access including, but not limited to, monitoring sites students and staff visit on the internet and reviewing e-mail. The administration and the technology director/coordinator shall have both the authority and right to examine all technology and internet activity including any logs, data, e-mail, storage and/or other technology related records of any user of the system. The use of e-mail should be limited to district and educational purposes only. Students and staff waive any right to privacy in anything they create, store, send, disseminate or receive on the district’s technology and network systems, including the internet.

No warranties, expressed or implied, are made by the district for the technology and internet access being provided. Although the district has taken measures to implement and maintain protection against the presence of viruses, spyware, and malware on the district’s technology, network systems, and internet access, the district cannot and does not warranty or represent that the district’s technology, network systems or internet access will be secure and free of viruses, spyware or malware at all times. The district, including its officers and employees, will not be responsible for any damages including, but not limited to, the loss of data, delays, non-deliveries, misdeliveries or service interruptions caused by negligence or omission. Individual users are solely responsible for making backup copies of their data. The district is not responsible for the accuracy of information users access on the internet and is not responsible for any unauthorized charges students or staff members may incur as a result of their use of the district’s technology, network systems, and/or internet access. Any risk and/or damages resulting from information obtained from the district’s technology, network systems, and/or internet access is assumed by and is the responsibility of the user. The District has the right to collect and examine any personal technology device that is suspected of causing problems or being the source of an attack or virus infection on the District’s wireless network or equipment.

Students, parents, and staff members may be asked from time to time to sign a new consent and/or acceptable use agreement to reflect changes and/or developments in the law or technology. When students, parents, and staff members are presented with new consent and/or acceptable use agreements to sign, these agreements must be signed for students and/or staff to continue to have access to and use of the district’s technology, network systems, and the internet.

The interpretation, application, and modification of this policy are within the sole discretion of the school district. Any questions or issues regarding this policy should be directed to the superintendent, any building principal or the technology director/coordinator. The board will review and update this policy as necessary.

**Fees**
Each student is required to submit a onetime $100.00 deposit in order to receive possession of a Tarkio R-1 computer.

- This $100.00 deposit is to the Tarkio R-1 district to ensure the computer is returned without damage. Any cost of repair will be taken from this fee. If the repair costs exceed the deposit amount the student will be liable for any further costs. The balance of the deposit after all repair fees have been paid will be returned to the student upon graduation or withdrawing from the district.
• Students not able to pay the $100.00 deposit may request a confidential review of their ability to pay by the Building Administrator. The Building Administrator, after evaluating the student’s ability to pay, may offer a payment plan or other accommodation at his or her discretion.

• Students in the Senior class will be given three options:
  o The student may keep the new device upon graduation IF they pay the district the total cost of the device.
  o The students may choose to use a laptop that is over 5 years old and take possession of it, at no cost, upon graduation.
  o The student may choose to use the newest device purchased by the district and take possession of a laptop, at no cost, that is over 5 years old upon graduation, if any are available.

IMPLEMENTATION OF TECHNOLOGY PROTECTION MEASURES REGARDING THE USE OF THE DISTRICT’S TECHNOLOGY, NETWORK SYSTEMS, AND INTERNET ACCESS

**The purpose of this policy is to provide a safe environment for students through the use of technology protection measures (i.e. filtering software) to enhance education in the school district.**

The internet is an ever expanding resource that adds large quantities of content on a daily basis. However, some of the content is inappropriate for student use and may even be harmful to students’ health, safety and welfare. Therefore, the school district has determined that it will establish this policy to limit student access to certain undesirable topics, including but not limited to, information and images that are obscene, constitute child pornography or are otherwise harmful to minors. Since it is not feasible for the district to continually monitor the content of the internet, the school district will employ technology protection measures in the form of internet filtering software in an attempt to block access to these types of harmful and inappropriate materials.

The school district’s implementation of internet filtering software does not guarantee that students will be prevented from accessing materials that may be considered inappropriate and/or harmful. However, it is a meaningful effort on the part of the school district to prevent students from accessing inappropriate and/or harmful materials on the internet. The school district makes no guarantee that the filtering software will be available at all times or that the filtering software will block all inappropriate and/or harmful material.

If there is an accessible Uniform Resource Locator [URL] that may be inappropriate, students, staff, and parents may request a review by designated district personnel, by completing an Add URL to Blocked Status Form. Upon review, the technology director/coordinator or other appropriate personnel will make a determination about blocking access to that site. If there is an educationally valuable URL that is blocked, students, staff, and parents may fill out the Remove URL from Blocked Status Form. The technology director/coordinator or other appropriate personnel will review the request and make a determination about unblocking the site.

Staff members may request that the internet filtering software be disabled for bona fide research or other lawful purposes. A Bona Fide Research Form will need to be filled out and reviewed by the technology director/coordinator or other appropriate personnel before the internet filtering software is disabled.
CONSENT TO STUDENT USE OF THE DISTRICT’S TECHNOLOGY, NETWORK SYSTEMS AND INTERNET ACCESS

I, __________________, am the parent or guardian of __________________, who is in _____ grade. I hereby certify that I have received, read, understand and agree to Tarkio R-1 School District’s Appropriate Use of Technology, Network Systems, and Internet Access Policy. I recognize that although the Tarkio R-1 School District has taken measures to restrict access to controversial materials, it cannot guarantee that students will be protected from accessing any controversial materials during the student’s use of the district’s technology, network systems, and internet access. I accept full responsibility for my student’s use of the district’s technology, network systems, and internet access through the district in accordance with the terms, conditions, and guidelines as stated by the district in its policies and regulations and as set out in federal and state law. I release the Tarkio R-1 School district and its officers and employees, from any and all legal liability and financial responsibility that may be incurred by my student’s use of any district’s technology, network systems, and internet access.

Technology Description and Serial #:_______________________________________

My child may have access to internet: _____ Yes _____ No

I hereby give the district permission to publish my child’s work, picture, and/or first name on the internet through the district’s web site. _____ Yes _____ No

Parent or Guardian Name:______________________________________________________

__________________________________ ____________________________
PARENT/GUARDIAN SIGNATURE                                                   DATE

If you have consented to your child’s use of the district’s technology, network systems, and internet access, please have your child review and sign the following:

I have read the Tarkio R-1 School District’s Appropriate Use of Technology, Network Systems, and Internet Access policy and agree to abide by its provisions. I understand that violation of these provisions will result in the restriction and/or termination of my ability to use the district’s technology, network systems, and internet access and may result in further discipline up to and including expulsion and/or other legal action. I agree to be responsible for payment of costs incurred by accessing any internet services that have a cost involved. I understand that my use of the district’s technology is not private and that the school district may monitor my use of district technology, including but not limited to accessing browser logs, e-mail logs, and any other history of use. I consent to district interception of or access to all communication I send, receive, and store using the district’s technology resources, pursuant to state and federal law, even if the district’s technology resources are accessed remotely. I understand that bringing my own personal technology devices to campus will diminish my expectation of privacy regarding my personal technology devices while at school, and that the District reserves the right to search my personal technology devices in accordance with applicable laws and policies if there is reasonable suspicion that I have violated the District’s policies, procedures or rules, or engaged in other misconduct while using my personal technology devices.

ACTIVITY PHILOSOPHY
The Fairfax and Tarkio School Districts believe that participating in state and district sponsored activities is a valuable experience for those who choose to partake of school offerings. Additionally, the district believes participation in activities is a privilege and not a right.

The interscholastic activities program is conducted in Tarkio and Fairfax Jr./Sr. High Schools to further the development of students as competitors and spectators through friendly inter-school contests. The purpose of the activities program is to develop leadership, good sportsmanship, personality, new friendships and friendly rivalry with other schools.

SPORTSMANSHIP
We believe good sportsmanship should be exemplified at all activities and contests. Opponents who enter our school should be treated as guests. The same goes for game officials. At all times, both participants and spectators should treat those around them with respect.

ACTIVITIES
The activities covered in this handbook will be only those which are governed by the Missouri State High School Activities Association. Activities, clubs, organizations and events not directly governed by MSHAA will follow the guidelines set forth in the Student/Parent Handbook.

Activities include:
- Music
- Academic Team
- HS/JH Volleyball
- HS/JH Cheerleading
- HS/JH Basketball
- HS/ JH Wrestling
- JH/HS Football
- HS Cross Country
- JH/HS Track
- HS Golf
- HS Baseball

Should the districts add any activity governed by MSHSAA, that activity will automatically become a part of this book although it may not appear in name.

MASCOT
The Tarkio teams are known as the Indians. The Fairfax teams are known as the Bulldogs. Combined Fairfax and Tarkio teams are known as the East Atchison Wolves.

SCHOOL COLORS
East Atchison teams are represented by Silver, Black and Orange. The Tarkio teams are represented by the colors Red, White and Yellow. The Fairfax teams are represented by the colors Kelly Green and White.

CONFERENCE AFFILIATION
East Atchison is a member of the 275 Conference. Other conference schools include:
- Mound City Panthers
- Jefferson Eagles
- Nodaway-Holt Trojans
- North Nodaway Mustangs
- Rock Port Blue Jays
- South Holt Knights
- West Nodaway Rockets
- Dekalb Tigers
- "East Atchison Wolves"
- South Nodaway Longhorns
- Stewarts ville Cardinals
- Union Star Trojans
- Northeast Nodaway Blue Jays
- Osborn Wildcats

CITIZENSHIP
All students in the Tarkio and Fairfax School Districts are expected to conduct themselves in such a way as to only bring credit upon the team, group, school, community, their family, and themselves. MSHAA requires that student participants in activities be “credible citizens” (By-law 212). Any student judged to not be a “credible citizen” may be declared ineligible for any period of time by school administration. Expectations are as follows:

1. Student athletes are to be on their best behavior at all times. Good behavior in the classroom is mandatory. If a student athlete receives an I.S.S. he or she is subject to the following punishment.
   a) All Offenses—Matter will be discussed with Administration and coach. Adequate punishment will be determined on a per incident basis. Punishment could include missing contests.
2. Any student receiving an O.S.S. during the sports season will be subject to the following punishments.
   a) 1st offense – 2 game suspensions after the student is allowed to return to school.
   b) 2nd offense – 5 game suspensions.

Punishments do not affect band performances for grades.

3. Any athlete receiving a technical foul, or a penalty deemed an unsportsmanlike conduct, action, or some individual intentional penalty, will sit the remainder of the quarter/inning/match in which the penalty occurred and an additional 4 quarters of action or the equivalent of one game depending on the sport. These consequences do not apply to penalties that occur as a result of some infraction of the game NOT considered a personal foul. (Technical fouls due to improper clothing, numbers wrong in the book, violation not unsportsmanlike). After a review of the facts, Administration reserves the right to reduce or lengthen the athlete’s punishment.

4. Students ejected from a sports contest will incur a penalty, at a minimum, to the MSHSAA Standards. Administration reserves the right to lengthen the athlete’s punishment.

FAIRFAX ACADEMIC ELIGIBILITY
In Order to maintain eligibility for activities, the Fairfax R-3 Board of Education has adopted the following policy:

Academic eligibility will be determined using MSHSAA State Standards. In the semester prior to participation, the students must pass 80% of the maximum allowable classes in which a student can be enrolled in the semester. In the case of Fairfax R-3 School District, students must pass 7 classes during a semester in order to participate the next semester. Students shall currently be enrolled in and attend 80% of the allowable credits (7 classes) during a semester of participation. J.H. Students are based on a 9 week grading period. Students may not fail more than 2 classes in a grading period or they are ineligible for the next grading period.

ZAP
Students who are on ZAP for the day are NOT allowed to attend practices/games until their classwork is completed. If the game/practice is off the Fairfax campus and the student misses the bus due to being on ZAP, they are NOT allowed to attend the practice/game for the day.

JR. HIGH COOPEG
Jr. High practice will, at times, take place during the 8th hour study hall period. Therefore, Jr. High Students are subject to weekly grade checks. Any student the administration deems not to be making adequate grades or turning in adequate work will not be allowed to leave the study hall and go to practice until all grades and work are complete.

Tarkio R-I Academic Requirements – Grades 7-12

- Students in grades 7-12 must be enrolled in classes that total 4 units of credit per semester in order to participate in extracurricular activities, and in the case of athletics, this includes practice.
- Eligibility will be determined after each grade check listed on the district calendar of the student handbook. Any student receiving an “F” for a grade check will be ineligible for participation for any extracurricular activity or out of school practice or performance until next they raise the grade. Students who are ineligible are expected to practice and will be able to travel with the team, but will not dress out until eligible. The coach or advisor may use them as a helper or manager. The student will sit with the team or group and do as directed by the coach or advisor when at extra-curricular events, students who do not will lose their privilege to travel with their team or group and may lose eligibility altogether.

AWAY EVENT TRANSPORTATION
As most of the activities are of a team or group nature, the value of traveling to and from activities together can not be discounted. For that reason, student participants are expected to ride to and from AWAY activity trips on school provided transportation. Students who do not travel to activities in school provided transportation will not be allowed to participate in the activity. The administration recognizes that at times, extenuating circumstances may occur. In these cases, permission to use alternative transportation to the activity must be secured from administration. Students wishing to use alternative return transportation from the activity will be released to parents/guardians or grandparents. Occasionally situations arise where Parents require another adult to sign their children out from a game. The administration will consider these requests on a case by case basis. In order to have your child signed out by a person who is not their parent/guardian or grandparent, verbal discussion must take place with the building principal at least 24 hours in advance of the event and a permission to pick up form must be obtained from and signed in the office and given to administration. Emergency situations will be handled on a case by case basis. All students must be signed out at the event before the student is released.
HOME EVENT TRANSPORTATION
All games which occur at either Tarkio or Fairfax will be considered a home game for the EA WOLVES Teams. It will be the responsibility of the athletes and parents to make sure that their children have transportation to and from all Home Events. A bus will NOT be ran for home games.

EAST ATCHISON WOLVES PRACTICE TRANSPORTATION
Transportation will be provided for students, to Tarkio or Fairfax, for all East Atchison Sports Practices. Students are required to ride to and from practice on the bus. Students are not allowed to drive themselves to practices. If parents are going to pick their children up from practice, the High School Principal / Athletic Director must be given advanced notice and children must be signed out.

STATE LEVEL COMPETITION
State Level Competition is defined as and competition beyond districts included Sectionals, Quarterfinals and the like.

Students, teams, or groups who qualify for state level competitions in any activity will have the following expenses paid for by the school: travel, lodging, and an up to $25 per day meal allowance. If the qualifying competitor is a team or group, the competitors will be defined as team members who will suit up for the activity, managers, and cheerleaders who perform.

ACTIVITY CODE
Students participating in the activity program at Tarkio and Fairfax School Districts are subject to the following expectations. These expectations apply year round, regardless of whether school is in session.

1. Citizenship (see “CITIZENSHIP” on page 2).
2. Refrain from the use of profanity.
3. Maintain good school attendance.
4. Attend all practices and games.
5. Demonstrate positive attitude and behavior.
6. Demonstrate good sportsmanship.
7. Refrain from the use of tobacco, alcohol, and illegal substances.

In not meeting expectations one through six, coaches, sponsors, and/or administration will use their discretion in assigning consequences to the student. Every effort will be made to insure that the consequences are appropriate with respect to the violation and that a standard of fairness is applied to each individual situation.

SUBSTANCE POLICY
The Tarkio and Fairfax School districts want to be as consistent as possible in dealing with situations that may arise during the year. With this in mind, some procedures concerning the use of controlled substances have been set.

These offenses will carry over from year to year beginning with seventh grade. Punishments follow students throughout the entire year even if the student is not participating in any activity during the period when he or she gets into trouble.

Even though not playing in a contest, the athlete is expected to be at all practices leading up to and during the enforcement of the penalty.

The coaching staff, faculty and administration believe that students should not be in attendance at illegal functions comprised of minors who are using controlled substances. Therefore, any student reported to be in attendance at such function may be punished the same as if he/she was using a controlled substance. The bottom line is, if there is a controlled substance there, remove yourself from the situation as quickly as possible.

STUDENT SELF REPORTING
Any student who has a disciplinary action, ticket, or encounter with Law Enforcement or the Court System must self report the incident to the administration. Students who have such violations are not eligible by MSHSAA citizenship standards until all obligations of said infraction are fulfilled. Knowingly participating while under such probation puts the team in jeopardy of having to forfeit contests. Therefore, students are to self report the incident to the administration who will investigate the incident and hand down the proper punishment. Failure to self report puts the student athlete in jeopardy of having further punishments/restrictions placed on him or her.

Examples of action that might be taken:
1) Athlete caught during season with Alcohol, first offense as 10th grader.
a) During football would sit 15% of 10 games or 1.5 games which would be one and a half games.
b) During basketball would be 15% of 25 or 3.75 games.

2) Same athlete gets caught again as a junior for alcohol sits for 50% of in season games. This may carry over to the next season, should the athlete not have enough games in the current season to fulfill the punishment.

**TOBACCO/E-CIGARETTE/VAPORIZOR USE**
Possession or use of any tobacco/e-cigarette or vaporizer products

1. **First Offense** – The student will sit out 5% of the regularly scheduled MSHAA contests for the activities in which they currently participate or any subsequent MSHSAA activities totaling 5%, whichever is applicable.

2. **Second Offense** – The student will sit out 15% of regularly scheduled MSHAA contests for the activities in which they currently participate or any subsequent MSHSAA activities totaling 15%, whichever is applicable.

3. **Third Offense** – The student will be ineligible for all MSHSAA activities for nine (9) school calendar weeks

Each subsequent offense will result in an ineligible period or nine (9) calendar weeks.

All offenses are cumulative beginning with seventh grade or at such time as the student transfers (enrolls) at Fairfax or Tarkio.

**ALCOHOL**
Possession, use, or attending an event under the influence of alcohol.

1. **First Offense** – The student will sit out 15% of the regularly scheduled MSHAA contests for the activities in which they currently participate or any subsequent MSHSAA activities totaling 15%, whichever is applicable.

2. **Second Offense** – The student will sit out 50% of regularly scheduled MSHAA contests for the activities in which they currently participate or any subsequent MSHSAA activities totaling 50%, whichever is applicable.

3. **Third Offense** – The student will be ineligible for all MSHSAA activities for 365 calendar days.

Each subsequent offense will result in an additional ineligible period of 365 calendar days.

All offenses are cumulative beginning with seventh grade or at such time as the student transfers (enrolls) at Fairfax or Tarkio.

**CONTROLLED SUBSTANCES**
Possession, use, or attendance under the influence of any unauthorized prescription drug, narcotic substance, illegal drug, counterfeit drugs, drug related paraphernalia, sale, or distribution of the same.

1. **First Offense** – The student will be ineligible for all MSHSAA contest and activities for a period of 365 days.

2. **Subsequent Offense(s)** – The student will be ineligible for all MSHSAA contest and activities for an additional period of 365 calendar days for each subsequent offense.

All offenses are cumulative beginning with seventh grade or at such time as the student transfers (enrolls) at Tarkio or Fairfax.

**ATTENDANCE**
A student must be in attendance at school the whole day in order to attend or participate in a school activity that same day. Certain instances will be excusable at the discretion of the Principal (advanced approval required for appointments), or a Doctor’s note is presented. If an event is scheduled for a Saturday, student must be in attendance all day on Friday, or be excused by the Principal, to participate. Students must be in attendance for at least half of the school day to be able to attend practice.

**EA WOLVES BOOSTER CLUB**
It is the expectation of the Fairfax and Tarkio school districts that all requests for funds from the EA Wolves Booster club will come from the Athletic Directors. Under no circumstances are Coaches or Parents to take requests for funds to the EA Wolves Booster Club. Requests for funds will be made to the Athletic Directors who will present necessary requests to the EA Wolves Booster Club.

**EXPECTATIONS OF FANS**
It is the belief of the Fairfax and Tarkio School Districts that our fans should be a favorable reflection of the schools and community. Any behavior that is contrary to this should be carefully scrutinized.

The following expectations apply to students, patrons and other fans of the Fairfax and Tarkio School Districts:

1. Our opponents, their coaches, and fans are guests in our house and should be treated with courtesy and respect.
2. Fans should refrain from criticizing game officials. They are trained in the mechanics and rules of game officiating. Game officials are human and will make mistakes. That is simply a part of the game. They are here to assist in the administration of the game, they don’t care who wins.

3. Fans should only make gestures or hold up signs that encourage our teams.

4. Fans should only engage in songs, chants, and slogans designed to encourage our teams.

5. Above all, fans should remember that the game is for the players.

6. Failure to follow the afore mentioned expectations may result in removal from the event and possible barring from future EA Wolves events.

PHYSICAL EXAMINATIONS
Prior to participating in any sport, each student must have on file in the office a completed physical examination form and accompanying insurance information. Insurance is available through private companies and information can be obtained in the office or on the school website.

IMPACT TESTING
All JH and HS athletes will be administered an IMPACT baseline concussion test. These baselines are done every 2 years. Athletes who are suspected of having a concussion will be given a follow up test. This information will be given to the athletes and to their doctor to help them assess the severity of the injury. Athlete protocol for return to play following a concussion will follow MSHSAA policy and athletes will only be allowed to return to play when cleared by a physician. The Fairfax and Tarkio School Districts will work in coordination with local doctors to help establish and maintain appropriate protocols for concussion evaluation.

TRANSFER OF ELIGIBILITY
Students transferring from one school district to another must file an eligibility transfer form. The student may not participate at their new school until that form is complete. MSHSAA has specific guidelines for transfer of eligibility. Check with school administration to receive a form and more information on transfer.

CONFERENCES/COMMUNICATION WITH COACHES AND SPONSORS
All coaches will be available at times to discuss the progress or your student-athlete. However, there are limitations to what a coach will discuss and at what times. The following is a summary of appropriate subject matter and timelines:

1. Coaches/Sponsors will only discuss your student, their progress, attitude, and any other essential information. Coaches/Sponsors will not discuss other students.
2. Coaches/Sponsors will not discuss game strategy or play calling.
3. Coaches will not discuss playing time issues with parents. Team members are encouraged to come to the coach to discuss these issues.
4. If a conflict exists between the student and coach/sponsor, it is the expectation of the administration that the coach/sponsor and student do everything possible to resolve the conflict personally. If that is not possible, the parent should first visit with the coach/sponsor in an effort to resolve the conflict. If that too does not yield results, the parent should next visit with Athletic Director.
5. Parents should never request a meeting with a coach/sponsor during or immediately following a contest. Rather, the parent may contact the school at a latter time to make an appointment with the coach/sponsor.
6. Parents should not contact a coach/sponsor at home or via cell phone to discuss conflicts, nor should they insist that the coach/sponsor address the conflict in a public place away from school grounds. Coaches are under no obligation to respond to text messages or messages on personal phones. Coaches will disseminate pertinent group information via remind text.
7. Parents should contact the coach by contacting the school and setting up a time for a phone call or meeting.

These guidelines are established to allow the most professional relationship possible among coaches, sponsors, students, and parents. They also serve as a guide to head off any situations that may be potentially embarrassing to the people involved.

VARSITY LETTERING REQUIREMENTS

ANY STUDENT ATHLETE who does not finish out the season and either quits the team or is removed from the team will NOT letter.

COACHES DISCRETION- Should a situation arise due to unforeseen circumstances, all coaches reserve the right to award letters under special circumstances.

TARKIO BAND/CHOIR

Tarkio Band and Choir Grading and Lettering Policy

- Each performance is 100 points.
- Each unexcused missed performance is 0 points.
- Excused reasons include other school related activities or sports that are at the same time.
- Any missed performance for any reason needs to be communicated to the directors in the timeliest manner possible.
- At the directors’ discretion well communicated missed performance points may be made up by doing extra work outside of class time.
- Students will be given performance preparation grades throughout the school year.
- Students are expected to be on task by always putting forth their best effort as they perform/learn music, stay organized, and as they interact with teachers and other students. Meeting these expectations will result 100% preparation and performance grades.
- Students who receive only A’s for each quarter and semester may be awarded a Band &/or Choir Letter at the end of the year.

BALL GAME ADMISSIONS

ALL HOME BALL GAMES:
Adult (out of high school) $4.00

Pre-school & under Free   Pre-school & under Free

EA Wolves Season Sports Pass- These are available for purchase from both Fairfax and Tarkio school districts.

FREE ADMISSION POLICY
Free admission to athletic activities will be granted to the following people:

2. Persons working at the event (team members, linemen, chain gang, band, cheerleaders, concession stand workers, law enforcement, ambulance, etc.).
3. Pre-school age and under children.

ATHLETIC COOPERATIVE GRIEVANCE PROCEDURE

When a patron of either district has a concern about issues relating to an activity in which Tarkio and Fairfax schools have a cooperative agreement, it best serves all that resolution be sought at the lowest level of a chain of command. Therefore, it is essential that this chain of command be established. No one in this hierarchy of the chain will hear a grievance before those preceding them in the chain have heard the grievance. After a meeting at each level, if resolution is not achieved, the grieving party may request a hearing to the next level of the chain. Such hearing should then be scheduled to occur within one week of the request. (Sooner if possible) Each member of this chain of command should be in attendance at all hearings that occur above their level in the chain.

The chain of command for airing grievances will be:

1. Parent Meeting with the Head Coach
2. Parents and Players meeting with the Athletic Director from the school which the student attends.
3. Parents and the Principal from which the school in which the coach is an employee,
4. Superintendent from which school the coach is an employee
5. Finally the Athletic Coop School Board Committee. It is to be understood that the administration of each school will confer when the grievance reaches the administrative level.
The Athletic Coop School Board Committee is comprised of four members, two of which are from Tarkio and two of which are from Fairfax. When the Grievance gets to the Athletic Coop School Board Committee the Superintendent from which the coach is employed will serve as the fifth member of the committee.

The committee will meet in special session to hear grievances brought to them. After the committee has heard the grievance it will make its decision and the decision will be final.

**COACHES DISCRETION AND RULES**

Each individual coach will be given the discretion to administer team rules not specifically mentioned in the handbook. Matters such as excused vs. unexcused practices, game-day dress, etc. will be up to individual coaches to decide. Coaches will inform administration, players and parents of any such team specific rules.

**ISSUES NOT SPECIFICALLY MENTIONED**

Not every issue or situation can be predicted and planned for. Should matters arise that are not specifically mentioned in the handbook, administration from both school districts will meet and discuss the issue prior to any decision being made. Administration reserves the right to assign consequences either not contained in this handbook or to modify consequences contained herein.

---

**JH/HS ACTIVITIES HANDBOOK AGREEMENT**

Please read this handbook and agreement in its entirety. It provides important information about how our school functions. After you have read the handbook and agreement, please sign and return this sheet to the high school office.

I have read the contents of the 2017-2018 activities handbook and affirm that I understand and will abide by the guidelines set forth within. I agree that violations of these policies may result in disciplinary action as described in this handbook.
