#### **Curriculum for Gifted and Talented Students**

The Board of Education directs that curriculum be developed to meet the needs of students who have been identified as gifted and talented by multi-criteria assessment developed by professional staff. This curriculum is to include strategies infused in all areas of regular education, K- 12, as well as specific curriculum designed to enrich the regular curriculum in order to meet the challenge of educating the gifted student.

The Board directs the Administration to seek whatever resources are available to develop curriculum and programs in this area, including Department of Elementary and Secondary resources for Gifted and Talented Education.
