Policy 2200

Admission and Withdrawal

The admission of all students shall be under the direction of the Superintendent, subject to the approval of the Board of Education. All persons seeking admission to the District and its instructional programs must satisfactorily meet all residency, academic, age, immunization, health and other eligibility prerequisites as established by Board policies, rules and regulations, and by state law. Students entering the School District will be required to present a birth certificate or some other acceptable proof of age.

New students transferring into the district will not be considered “officially enrolled” until the 10th (tenth) day of attendance.

Students who are entering kindergarten or first grade are encouraged to pre-register in the spring prior to the fall semester in which they are to begin attendance.
