Tarkio R-I Board of Education Norms

(Adopted by the Board of Education on March 15, 2023)

1. We will publicly share the news of the board accurately and positively and be united as a board in all decisions that are made.
2. We will follow a clear communication protocol and chain of command in which board members will communicate directly with the President to seek clarification, gather information, or discuss agenda items. If the board president is unavailable or unable to answer your question(s), you may contact Superintendent directly.
3. We will come prepared and informed, having read the Board Packet, clarified questions with the board president (following the communication protocol above), and shared pertinent information with the superintendent in advance.
4. We will follow proper meeting procedure (Robert's Rules of Order) and structure, speaking only to agenda items and adhere to all rules and/procedures during public comment and not engage in conversation with patrons as they voice their concerns during their three-minute allotted time slots.
