

True PIKE Scholarship 2023

In the Fall of 2023, the Pi Kappa Alpha-Zeta Chi chapter at Missouri State University will be awarding two \$500 scholarships to incoming freshmen to cover the cost of tuition and or books.

The True PIKE scholarship is awarded to an incoming freshman that exemplifies the four pillars of Pi Kappa Alpha (Scholars, Leaders, Athlete, Gentlemen) and our fraternity's true values. The Zeta Chi chapter at Missouri State University believes an experience that includes academic excellence, serving the community, leadership qualities, campus presence, and individual development will prepare male students for success in life. Pi Kappa Alpha is dedicated to finding men who show appreciation of what it means to have commitment to themselves, their brothers, fraternity, and community.

Applicants **must** be an incoming freshman attending Missouri State University in the Fall of 2023. However, you **ARE NOT** required to join PIKE to be awarded this scholarship, all awards are based off character and their alignment with the values we share within Pi Kappa Alpha.

The scholarship application deadline is August 22, 2023, and the winner(s) of the scholarship award will be announced on September 15th. The scholarship application is very easy to access and apply. If you have any questions regarding the scholarship, please contact Austin Watson. The link to the application can be found at mostatepikes.com/truepikescholarship on our website.
