Dear Parents,

We want to thank you for applying to have your child attend Tarkio Pre-School for the 2025-2026 school year! At Tarkio R-1 we strive to provide an exemplary learning experience for your child. We are so excited to have them join our Tarkio Indian Family!

Registration packet pickup begins on Monday, February 10th at 7:30 a.m. in the Elementary Office. Preschool packets may be picked up at that time. You may begin turning in packets on Monday, February 24th starting at 7:30 am in the Elementary office. The Tarkio Pre-School is a 3 and 4 year old program. However, during the enrollment process 4 year olds will have preference over 3 year old applicants. During the registration process we will take applications on a first come, first serve basis starting February 24th. Your packet must be complete, with enrollment form, and copies of their birth certificates, shot records and social security card, to be placed on the list. Our maximum enrollment capacity for the program is 20 students. Once we have reached the enrollment capacity, we will start placing students on a waiting list. You will be notified of your child's enrollment status the week of March 3rd. We have posted the current tuition scale below. It is possible that the tuition scale could be modified before next year. Tuition is due at the beginning of each month.

### Yearly Tuition-

Reduced Pay- \$130 per month- Anyone who qualifies for free or reduced lunches.
